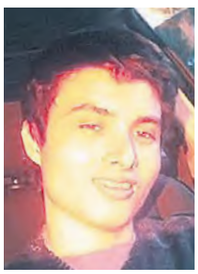
VIRGIN KILLS 7 IN 'SLUT' RAMPAGE



TIRADE: Elliot Rodger

Search called off for sailors

HOPES of finding the missing British crew of the Cheeki Rafiki have all but faded after the yacht's life raft was found on board the capsized vessel.

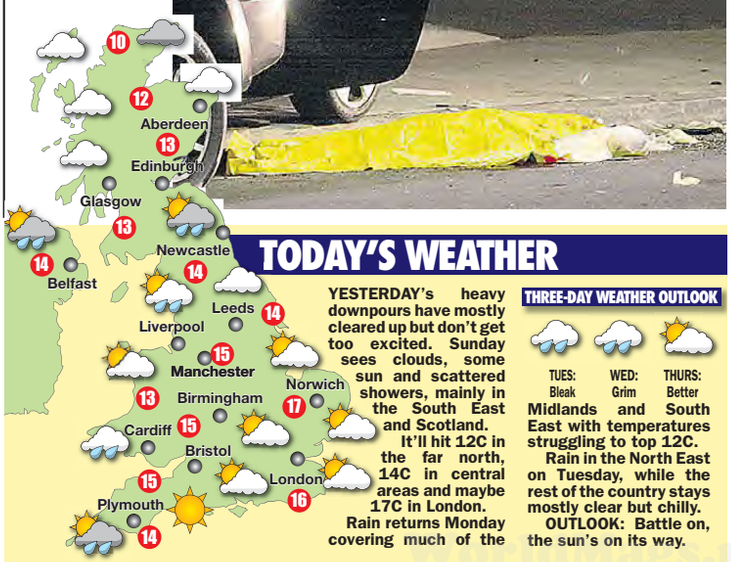
David Cameron said his "thoughts are with the families and friends of the crew".

Underwater imagery taken by a swimmer from a U.S. Navy warship showed the raft clearly stowed in place, indicating it had not been deployed in an emergency.

The upturned yacht was discovered in the Atlantic Ocean about 1,000 miles east of Cape Cod, its cabin flooded and its windows shattered.

The sailors – Andrew Bridge, 22, of Farnham, Surrey, James Male, 23, from Southampton, Steve Warren, 52, from Bridgwater, Somerset, and Paul Goslin, 56, from West Camel, Somerset got into difficulties on May 15.

HORROR: Victim of drive-by mass shooting spree in Santa Barbara



TODAY'S WEATHER

YESTERDAY'S heavy downpours have mostly cleared up but don't get too excited. Sunday sees clouds, some sun and scattered showers, mainly in the South East and Scotland.

It'll hit 12C in the far north, 14C in central areas and maybe 17C in London.

Rain returns Monday covering much of the Midlands and South East with temperatures struggling to top 12C.

Rain in the North East on Tuesday, while the rest of the country stays mostly clear but chilly.

OUTLOOK: Battle on, the sun's on its way.

A 22-YEAR-OLD virgin shot six women and himself yesterday after promising to "slaughter all the blonde sluts" who had rejected him.

Elliot Rodger posted a video on social media promising revenge on women for prefering badboys instead of "gentlemen like him".

The man, who is reportedly the son of *Hunger Games* Assistant Director Peter Rodger, then set off on a drive-by mass shooting in Santa Barbara, California, killing six and wounding seven.

After being confronted by police he sped away from a "Wild West style" gun battle with officers before crashing into a tree. It is believed he shot himself in the head.

Witnesses say the gunmen slowly cruised the streets of the student town where he picked off his targets.

When finally confronted by armed police a ten-minute shootout began which ended when he sped through a blockade.

The video, titled *Elliot Rodger's Retribution*,shows the gunman in the front seat of a car as he spewed forth plans to wreak murderous "retribution" for his failure to find a girlfriend.

He said: "Tomorrow is the day of retribution, the day in which I will have my revenge against humanity."

After detailing how "girls have never been attracted to me," he threatened to "slaughter" members of a college sorority house – a group for female students – and then "take to the streets of Isla Vista and slay every single blonde slut I see there."

He said: "I'm 22 years old and I'm still a virgin. I've never even kissed a girl.

"It's not fair. You girls have never been attracted to me. I don't know why you girls aren't attracted to me. But I will punish you all for it."

He delivered a tirade about his "unfulfilled desires" and blames women for preferring "obnoxious brutes" to him, "the supreme gentleman".

The sheriff said that "written and videotaped evidence suggests this was premeditated mass murder."

Brussels 'anti-Jew' attack

THREE people have been killed in an anti-Jewish attack in Brussels.

Two women and a man were killed and another badly hurt after the shooting near the Belgian city's Jewish museum

The country's Interior Minister has tweeted to say he believes it was an "anti-semitic attack".

And Belgian foreign minister Didier Reynders added: "I am shocked."

Eva says 'no' to her dream handjob role

BUSTY Bond girl Eva Green has revealed her kinky on-screen HANDJOB secret.

The *Quantum of Solace* scorcher, 33, says she turned down a role in 2009 horror *Antichrist*, directed by Lars Von Trier, because of its explicit W*NKING scenes.

In the end her role went to French actress Charlotte Gainsbourg, 42, who was seen having a diddle with herself and giving a genuine, unsimulated, tugjob to co-star Willem Dafoe.

Busty Eva, who's currently starring in Sky Atlantic series *Penny Dreadful*, said: "Lars von Trier was my God. I loved everything that he'd done – it was my dream and fantasy to work with him.

"But I didn't want to do certain things in *Antichrist*. There were a lot of sexual things where I was like, 'Really? Is there another way to make it work?' And he was like, 'Nobody questions my authority'."

Eva did, however, go topless in this year's *300: Rise of an Empire*.

Davina tells of her fanny fudge relief!

TELLY babe Davina McCall has told how her recent sporting challenge left her with an injured MINGE.

The ex-*Big Brother* host (*above*) was in such agony she was given a pain relief cream she has dubbed "fanny fudge".

Mum-of-three Davina took part in a gruelling Sport Relief mission which saw her run, swim and cycle the 500 miles from Edinburgh to London.

The cycling left the 46-year-old with a sore clopper and she revealed: "When you're cycling your worst enemy is rubbing or frottage on your vagina. But by day four they had made me up some fanny fudge and I was fine.

"A doctor with us came up with a cream that anaesthetises and mixed it with some other cream. I put it on my vadge and it gave me a numb vagina – it didn't hurt anymore!"

MONDAY

THE BBC is criticised for binning £4,000 worth of high-quality grub during the filming of a show called *Restaurant Wars*.

The revelation was highly embarrassing for the BBC, which is desperate to prove it is not a wasteful organisation.

So it's better news that Eamonn Holmes says he'll front the next series for a nominal fee. And a large bag.

TUESDAY

LABOUR leader Ed Miliband denies being out-of-touch after he underestimates the average Brit's weekly shopping bill.

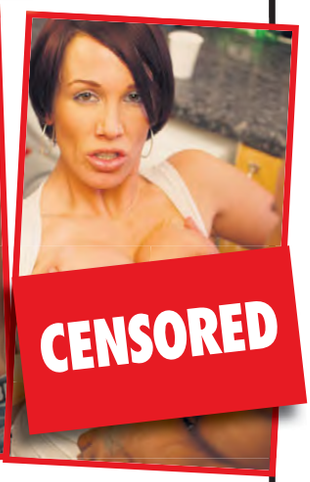
WHITE DEE SEES RED OVER HARDCORE PORN SPOOF

UB-PHWOAR-TY: The X-rated show depicts a sex-mad street of people on the dole

SMOKING HOT: Rebecca More plays Dee in *Friends With Benefits Street*



TELLY gobshite White Dee has erupted in fury after she was cast in an X-rated hardcore *Benefits Street* PORNO.

The outrageous spoof sees explicit entertainer Rebecca More playing Channel 4's Dee – aka sponger Deirdre Kelly – in *Friends with Benefits Street*.

It shows 35-year-old bongo babe Rebecca – who sports enormous 35F boobs – leaning out of her front door while smoking a tab and slurping tea, saying: "We're just one big Brummie incestuous family."

But the real Dee has seen her arse over the Television X series – labelling it 'trash'.

By NEIL GOODWIN
neil@sundaysport.co.uk

Claimant Dee, 42, told *Sunday Sport*: "I've spent time telling people we aren't like that on the street, but each to their own. It's trash."

The plot sees a 'dysfunctional street swap beds, wives and friends to exploit the benefit system'.

The epic culminates in a sticky GANG-BANG featuring the 'Romanian neighbours who live next door'. Show director Amory Peart is bullish about the send-up. He told us: "I'll give White Dee a part in my next porn film...as a fluffer, we need someone with a big gob on her."

The sex tape caps a nightmare month for Dee, who reportedly receives £214 a week because she is 'too depressed to work'.

Last week it emerged that Dee was to have her benefits cut after the intervention of PM David Cameron.

Jess never had sex for a good role

ACTRESS Jessica Alba says she never BONKED her way to the top in Hollywood.

The pin-up reckons the so called 'casting couch experience' – where actresses have sex with producers to get roles – does exist.

Gorgeous 33-year-old Jessica (*above*), who plays a stripper in *Sin City: A Dame To Kill For*, said: "Sex is absolutely what helps sell this movie, which is fine with me.

"I'm also playing a character when people are taking pictures of me. That's what I do, but it is not who I am. I never slept my way through Hollywood, so I never felt like I compromised.

"Apparently people do it – I didn't. I grew up Catholic."

Loo tugger was 'thinking of ex'

A MALE shopper was caught having a crafty tug in the toilets of a department store after getting carried away by dirty thoughts about his ex-girlfriend.

Peter Harris, 52, was pointing percy at the porcelain in a branch of Debenhams when he started to get aroused.

A court heard he was in the middle of a discreet five-knuckle shuffle when another customer walked in and reported him.

Police were called and Harris told them: "I know why you're here. I was thinking about my ex-girlfriend and got carried away."

Harris was arrested and charged with outraging public decency at the branch of the store in Swansea, South Wales.

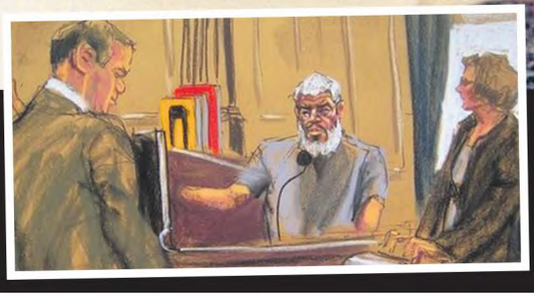
Swansea magistrates fined him £250 and handed him a 12-month community order.

Harris told them: "I am ashamed of myself. Sorry"

A spokesman for Debenhams said it took customer safety very seriously.

ABU HAMSTER!

Fury as taxpayer picks up vet's bill for Brit-hating rodent



FOR HOOK'S SAKE: The hamster was given the name Abu Hamster after hate preacher Hamza *(left)*

Sunday Sport EXCLUSIVE

By SIMON DEAN
simon@sundaysport.co.uk

A MAIMED hamster will be cared for by the British taxpayer after its owner became fed up of its hate-filled antics.

Dad-of-three Garry Speedweigh watched the Syrian rodent turn for a fun-loving bundle of fur to a biting, scratching hellrat after losing a paw and an eye in a bizarre wheel accident.

Garry, of Blackburn, Lancs, nicknamed the rodent Abu Hamster after the one-eyed, one-handed hate preacher, Abu Hamza, who was jailed for life in the USA last week.

Painter Garry, 48, put up with the nips and gnaws for two years but snapped when Abu bit his youngest daughter.

False

Garry said: "It got beyond a joke when the animal bit our Beyonce. It was time for Abu to find a new home."

Traditionally, hamsters have been disposed of by putting them in a canvas bag and hitting them with a hammer

But this method has been banned by prodnose Brussels "animal rights" legislation.

Instead, Garry had to call his council domestic rodent hotline – and pay £45 for Abu to be taken into care.

The taxpayer must now pick up the tab for Abu's board and lodging – and pay for vets to tend his itty-bitty hook and false eye. Terry Furey of the Taxpayers' Forum raged: "Thanks to Brussels, we are paying for the upkeep of a hamster that hates humanity, and Britain in particular.

"This country has gone to hell in a handbasket."

BEHIND BARS: Hamza

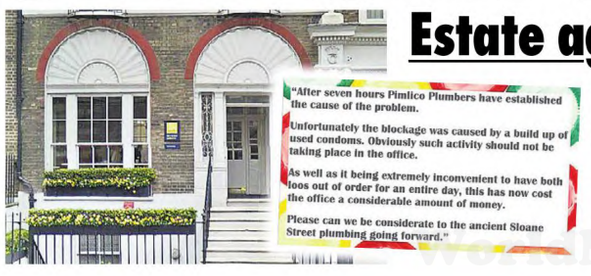
Last week, it emerged Hamza's family will continue to live in their taxpayer-funded £1.25million house – and receive £650 a week in state benefits.

Neighbours reacted with anger after it emerged the family can continue to rely on the generosity of the taxpayer despite Hamza facing life behind bars for terror offences in the US.

Hamza was convicted of 11 terror charges earlier this week after fighting an expensive 10-year legal battle against extradition.

SEX ROMPS BLOCK BOGS

Estate agent loos bunged up with condoms



"After seven hours Pimlico Plumbers have established the cause of the problem.
Unfortunately the blockage was caused by a build up of used condoms. Obviously such activity should not be taking place in the office.
As well as it being extremely inconvenient to have both loos out of order for an entire day, this has now cost the office a considerable amount of money.
Please can we be considerate to the ancient Sloane Street plumbing going forward."

A POSH estate agents has banned staff from shagging in the office bogs after a build-up of spunk-filled condoms blocked their loos.

Upper crust property firm Savills' London office called in plumbers after their two bogs backed up.

But instead of finding huge turds they were amazed to find dozens of used sheaths in the U-bend.

In a leaked memo the boss of the 50-strong firm urged employees to restrain themselves at work.

Richard Gutteridge wrote: "After seven hours Pimlico Plumbers have established the cause of the problem. Unfortunately the blockage was caused by a build-up of used condoms. Obviously such activity should not be taking place in the office.

"As well as it being extremely inconvenient to have both loos out of order for an entire day, this has cost the office a considerable amount of money. Please can we be considerate to the ancient Sloane Street plumbing going forward."

THE VOICE OF YOUR BRITAIN

Babes have never Ben so unruly

JUST when did Britain's fairer sex become ill-mannered harlots whose antics would redden the cheeks of a Berlin brothel madam?

There was a time – not long ago – when the women of these islands wanted nothing more than to be dutiful daughters and wives.

Now, after the advent of so-called "women's liberation", our sisters have become base strumpets and slatterns who neglect their chores.

This descent into the swamp is illustrated by the reaction to young television gardener Mr Bloom – aka actor Ben Faulks.

Faulks, who nobly attempts to interest young minds in the outdoors and nature, has been assailed by all manner of lewd suggestions from lust-crazed females.

Say what you like about the bearded and robed men of faraway Araby, they would never allow their women to conduct themselves thus.

We do not wish to be "spoilsports" or "killjoys" – to use those popular modern phrases.

But unless our women are brought to heel and taught decent behaviour, they are in peril from the wicked lusts that stir and confuse them.

Sicko sows seed of our discontent

ALL manner of felons and evildoers stalk our streets, seemingly thumbing their noses at authority and the rule of law.

We appear to have accepted the inability of the constabulary to bringing these malefactors to book.

But we MUST have action in the case of Julian Hoffman.

This man crosses our country polluting mashed potatoes in public house "carveries" with the foul seed of his shrivelled testes.

We would normally shrink from the barbaric and oriental practice of castration.

In Hoffman's case, we would applaud such an intervention.

KINKY FANS WANT ME TO EAT THEM

Penny reveals blokes' bizarre cannibal fantasies

BOLD TURKEY: Penny had to pretend bird was a fella

UNSHOCKABLE model Penny Lee is tackling a terrifying taboo – catering to fans with a twisted CANNIBAL fetish.

The stunning redhead sells videos through a website called *Clips4sale*, where she'll indulge mainstream kinks for feet, stockings and even balloon play.

But pretty Penny, 22, will also star in private movies, saying: "Want something you could not see? Then why not email me and ask for a custom video..."

And Penny has revealed how several punters have requested bizarre FLESH-EATING vids – and thinks it could be part of a gruesome underground UK trend.

She told *Sunday Sport*: "I've had some weird video requests, but the cannibal ones are just insane. I gave it my best shot, but even I was a little creeped-out by it."

Penny, from Worthing, West Sussex, pocketed £250 for the skin-chomping flick. The 32DD beauty explained: "The guy sent me an enormous turkey, but he told me to pretend that the flesh of the bird was HUMAN meat, and to imagine that I was eating HIM.

"First I had to prepare the flesh for cooking, saying on camera, 'I'm rubbing the seasoning into your thighs'.

"Then I hacked-off huge chunks of meat, put them in my mouth with my fingers, and told him, 'Mmm I'm eating you now, you taste good'.

"The whole thing took around six hours. And yes, you could definitely say it wasn't one of my 'usual' experiences making a clip, but this is my job, and I'm here to satisfy a whole range of fetishes, however dark they might be."

Penny's experiences have harrowing similarities to a criminal case in 2002, which saw Berlin-based Bernd Jürgen Armando Brandes voluntarily offering himself up to be killed and EATEN by 52-year-old Armin Meiwes.

Meiwes – who was likened to movie body-scoffer Hannibal Lecter – was found guilty of murder and is currently serving a life sentence in a German prison.

Nude protest sparks White House scare

SECRET Service men sprang into action at the White House when a man stripped naked in what appeared to be a bizarre protest.

On one of the hottest days of the year so far in Washington, where temperatures hit at least 78F (26C), the man ambled up to Secret Service officers at the gate of the White House and then took off all his clothes.

The incident happened shortly before President Barack Obama was due to give a speech announcing his new pick as housing secretary.

The man, named by the Secret Service as Michel Bechard, refused to be subdued and was duly arrested, a spokesman said.

Witnesses said that officers covered the man in a foil heat sheet and loaded him into a van.

Yearbook spoilt by leaver's ball

A HIGH school was forced to recall 240 leavers' yearbooks after a pupil indecently exposed his TESTICLE in a group photograph.

The 16-year-old played the 'practical joke' while the picture was being taken for the annual publication for Year 11 leavers.

But the prank was not spotted until the books had been given out at Ribblesdale High School in Clitheroe.

Headteacher Stephen Cox immediately recalled the whole set and took out the offending page before redistributing them to the departing pupils.

Although no copies of the complete yearbook are believed to have left the school premises, the picture with the lad's bollock exposed has been circulated on social media.

The pupil and two schoolmates who tweeted the offending section of the picture were called in and "dealt with".

ANT AND DEC GOT LOST IN MY BUM CRACK

Bathtime horror for 35-stone Jenny

SUNDAY Sport EXCLUSIVE

MEN shall never know what goes on in that conglomeration of gristle, glitter and sawdust that woman have the temerity to call a brain.

So it will remain a mystery quite why bulky Jenny Stoate decided to share a bath with her pet goldfish, who she named Ant 'n' Dec.

What we DO know is that the pair of former fairground fish didn't survive the ordeal – as they got FLATTENED between 35-stone Jenny's hefty buttocks. And – due to the fact that Jen's circumference prevents her reaching her own arse crevice – it was TWO DAYS before a volunteer was found to fish them out.

By BARNEY SAMUELS
news@sundaysport.co.uk

Red-faced Jenny, 26, said last night: "I always used to take Ant 'n' Dec's bowl into the bathroom with me so they didn't get lonely.

"Last weekend I decided that they could get in the bath with me. I think the water was a bit hot for them as they soon seemed in some distress.

"I tried to get hold of them and lift them back into their bowl but I couldn't reach. That's when I felt them swim into my bum crack.

"Try as I might, I could not shift the little rascals.

Stench

"After a couple of days – with the receny heat, the stench became unbearable – I had to phone a friend who scraped Ant 'n' Dec out with a stick."

Although she was none the worse for her ordeal, Jenny, of Crewe, Cheshire, went to get herself checked out by her doctor. She said: "The doctor said I should not suffer any lasting harm, although he said there was an outside chance I could get finrot of the ringpiece.

"But I think he was joking about that."

Last night a source close to the real Ant 'n' Dec said Jenny was in the "thoughts and prayers" of the Tyneside-reared showbiz ubiquities.

AS THE SNOOTY THE SUNDAY TIMES PUBLISHES ITS ANNUAL SUNDAY Sport POOR

JUSTIN, 42, & JULIAN, 52

FORTUNE £0

THANKS to Prime Minister David Cameron's modernising reforms to the outdated marriage laws, a major development since the last List has seen the dawn of tramp weddings.

Sweeping away generations of bigoted prejudice, the new rules mean that tramps of either – or any –gender can now marry.

That means the first joint Poor List entries, and sweeping into this new category are Justin and Julian from Rock Ferry on The Wirral.

The duo are known as the Gilbert and George of the tramp world and after a few ciders make about as much sense as the oddball artists.

Former milkman Justin (right) is well known locally for his slight build and battle cry of "Out of the way – I'm a vodka man!"

DEAD STEVE, 49

FORTUNE £0

A NEWCOMER to the hallowed halls of the *Sunday Sport* Poor List for 2014 is 49-year-old Dead Steve.

As may be surmised, he won his nickname after he was found – apparently dead – on the steps of Stockport Town Hall.

It turned out he was not dead at all. Instead the former postman from Glenrothes was suffering a surfeit of Windolene and Tizer – his favourite tipple.

Since then, Steve is thought to have expired at least nine more times, most recently in the grounds of Tatton Park during Royal Horticultural Society event.

Local legend has it he was revived by pop babe-turned-horticulturalist Kim Wilde. Kim Wilde's people have cast doubt on the story, however.

THIRSTY MIKE, 52

FORTUNE £0

IT takes a lot to stand out as a tramp in the Lancashire resort of Blackpool – in many ways the Mecca of advanced vagrancy.

But Mike manages it, thanks to his powerful personality and eyewatering stench, which can be detected even when a Force 8 gale is blowing off the Irish Sea.

Mike holds the record for urinating the furthest off Central Pier – 25 feet in 1987.

Alas a repeat performance is no longer possible as Mike has much of his urinary tract moved last year after contracting a mild form of plague in Cleveleys.

He often claims to have been an original shareholder in Eighties discount retailer Oobidoo, though extensive research at Companies House has failed to verify this.

SHOUTY ANGUS, AGE UNKOWN

FORTUNE £0

POSSIBLY the most famous Scottish exile after Sir Sean Connery, Angus has lost none of his Caledonian fire despite having no memory of his life north of the Border.

It's believed he may have strayed into England after starting to follow a cat in Stranraer.

Since then Angus has stumbled along the lanes and byways of England in search of new liquor-based adventures.

Scottish nationalist Alex Salmond is thought to be keen to bring members of the Scots diaspora back into the tartan fold if the country's independence is approved later this year.

Whether this invitation extends to Angus remains unclear.

Either way, he is already banned from 30 English local authority areas and is only free to roam England's less-lovely seaside parishes.

LORETTA, 46

FORTUNE £0

THANKS to a recent ruling by the Press Complaints Commission, we are not allowed to mention that Rotherham itinerant Loretta is a transsexual, as that is irrelevant.

Nor can we mention that the hulking former lorry driver with hands like dirty great shovels used to be called Brian.

And mothers may not comfort their sobbing children by telling them: "Do not worry little one. It is not a giant scary woman, it's just a man in a dress."

Loretta is capable of knocking back a full three pints of methylated spirits in one sitting but insists on having a cherry in the old tin can she slurps it from.

Last night, when informed of her place on the Poor List, Loretta boomed: "I HAVE A VAGINA – SEE IT! SEE IT!"

DANIEL, 27

FORTUNE £0

LITTLE is known about Doncaster-born Daniel apart from the fact that he once played the corpse of a slayed nonce in *Silent Witness*.

These days he smells like the corpse he once depicted with much aplomb and the maggots that crawl from his sores are real, not plastic prosthetics.

Shunned even by the homeless class thanks to his constant sleep-yelping, Daniel lives alone in an abandoned electricity sub-station.

Unfortunately, the noxious chemicals leaching from the switchgear have affected his reason and it is perilous to approach him without special equipment.

It is believed his scalp would detach if his hood is ever removed.

RICH LIST, TODAY WE PRESENT THE...

2014 LIST

By SIMON DEAN
simon@sundaysport.co.uk

AS Britain emerges blinking from a recession that sapped our national essence, it seems that the fleabitten underclass is also enjoying something of a renaissance.

According to the Sunday Times, Britain's richest people are wealthier than ever before, with a combined fortune of almost £520bn – up 15 per cent.

Srichand and Gopichand Hinduja replace Arsenal FC shareholder Alisher Usmanov at the top of the annual list.

Recovery

Sunday Sport's annual survey of the dispossessed and impoverished has also shown definite signs of recovery among the cider-sipping yelpers who brighten so many inner city streets.

Once again, our famous Poor List has directed a penetrating beam into the dismal, though totally fascinating, world of Britain's truly potless.

CHINKY COHEN, 54

FORTUNE £0

IS it possible to even mention Mr Cohen's first name without attracting the attentions of the hate crimes department? We think it unlikely.

Despite his name suggesting he has some sort of Chinese-Jewish heritage, he is actually of Irish-Korean stock. His dog and potato stew is considered unmissable, if inedible.

Mr C slipped off the Poor List in 2013 after finding a £1 coin in the street, making him, in relative terms, fabulously wealthy and ineligible for the list.

He blew his windfall on a Caramac which, unfortunately, he did not like very much. But he proudly retains the wrapper though to remind him of his good fortune.

NORMAN, 48

FORTUNE £0

WERE Norman ever to leave the streets of Southampton, legend has it that catastrophe would soon befall the city.

He is as much a feature of the Hampshire metropolis as seagulls and coarse prostitutes – one of whom is reputed to be his mother.

On the Perth Scale of Bewilderedness, Norman scores 43, which is unrivalled outside the Central Belt of Scotland.

He has carried the same paper cup for the last five years, assigning to it semi-magical powers.

He likes a drink.

SHOUTY MICK, 72

FORTUNE £0

TWO years ago the world gave up on Mick, convinced the liquor had taken his life (it having taken his mind in the mid-1980s).

But since then, he has made a remarkable turnaround.

Far from being dead, he was simply in a very deep coma. It was the depths of this unconsciousness that prevented Mick from dying of shock when stray dogs almost gnawed off his left leg.

His recovery now continues apace. He can often be found fronting a guest slot on *Good Morning Britain* where his despairing stench and vacant eyes perfectly match the show's format.

PASTILLE ALAN, 41

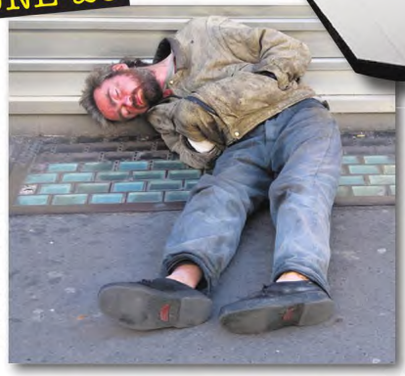
FORTUNE £0

ALAN may be poor in monetary terms but in numbers of personalities, he is a rich man.

No fewer than seven discrete personae inhabit Bristol-based Alan's troubled mind and usually they are at daggers drawn.

The people of the town thrill to watch the soap opera that is Alan play out daily – normally on the Bath road.

In the rare moments he is not soaked in liquor, Alan speaks with a western French accent. This has baffled Bolton's best minds for some years.



DIRTY BILLY, 52

FORTUNE £0

LITTLE is known about Crewe's leading itinerant. And the truth is that as time goes on, he becomes even more of an enigma.

Living entirely under a collection of rags and bags, Billy's face has never been seen, his voice never heard.

It is only the tapping of his feet in time to some imagined disco beat that gives any indication that Billy is alive.

There was once a suggestion of some connection to prune faced warbler Cilla Black, though this was later denied by all parties.

Miley gets order over 'songs' nut

MILEY Cyrus has obtained a temporary restraining order against an Arizona man detained by police while trying to meet the singer-actress.

A Los Angeles judge granted Cyrus (*above*) the order against Devon Meek, 24.

Cyrus's court filing states that the Sierra Vista man believes the singer is communicating to him through her songs.

LA police took Meek into custody on May 16 and he was placed under psychiatric care.

He had been arrested outside a property he believed was owned by Cyrus, says to the filing.

A detective wrote in a statement that Meek told officers they should shoot him in the head if he could not meet Cyrus.

Meek remains in protective custody.

Mobi scoot man in lake tragedy

A DISABLED former taxi driver drowned when his mobility scooter slid into a lake as he exercised his dogs late at night, an inquest has heard.

Tragic Trevor Barrett, 75, was found by cops largely submerged in the water and the scooter on rocks beside the lake.

Alcohol was found in the blood of the former RAF man of Swindon, Wilts, who would often drink a vodka tonic on his late-night trips.

Verdict: Accident.

AND the award for the BREAST British soap babe goes to...

EVERY last one of these flashing beauties!

Honouring some of the best talent in UK telly, the annual British Soap Awards took place last night and will be broadcast on the box this evening.

And to mark the occasion, *Sunday Sport* is toasting soapland's tastiest totty with a TOPLESS tribute.

Among the nominees are *Hollyoaks* hotties Jorgie Porter, 26, and Nikki Sanderson, 30.

And looking at their sizeable norks, they're used to handling GONGS!

Representing ITV's *Coronation Street* is busty Michelle Keegan, 26, while 37-year-old Kellie Bright – who aired her assets in 2000 mini-series *Nature Boy* – is flying the flag for the Beeb's *EastEnders*.

And not to be outdone, Yorkshire soap *Emmerdale* boasts boobs-out brunettes Lucy Pargeter, 36, and Natalie Robb, 39.

The ceremony, hosted by Phillip Schofield at Hackney Empire, east London, will air on ITV at 8.15pm.

Stars of Beeb's gritty hit drama TOPLESS

IT'S a fair cop – telly rozzers Sophie Rundle and Sarah Lancashire have been caught smuggling bouncy SWAG BAGS under their police uniforms.

By NEIL GOODWIN
neil@sundaysport.co.uk

The busty lovelies star in BBC1 drama *Happy Valley*, as female bobbies investigating a kidnapping in a drug-riddled Yorkshire town.

And Sophie, 25, and Sarah, 49, are also GUILTY – of having amazing BOOBS!

Top-heavy Sophie, who plays PC Kirsten McAskill, had an eye-popping role in BBC2 comedy *Episodes*, playing a stalker with the hots for actor Matt Le Blanc.

In explosive scenes which aired in 2012, Sophie not only showed him her ENORMOUS breasts, she also tried to woo Matt with offers of BUM SEX.

Speaking about her boobs-out display, she said: "I did a topless scene in *Episodes*, playing a character called Labia.

"It didn't bother me at all at the time – I didn't expect people to pay any attention.

"But now when people search me, that's what comes up. It was a great job – and it put me out there"

Meanwhile Sarah, who plays Sergeant Catherine Cawood, was spotted topless on holiday flaunting her baps in 2000.

The two stunnas can be seen in *Happy Valley* on Tuesdays, 9pm on BBC 1.

Stolen gun stashed in teen driver's love box

A TEEN had a loaded handgun hidden in her MINGE when she was arrested for driving with a suspended licence.

Dallas J. Archer was being searched when a female correction officer detected 'an unknown item in her crotch', according to a police report.

The 19-year-old, from Kingsport, Tennessee, was found to be concealing a tiny stolen 22-calibre revolver after being arrested when her mother claimed to have been assaulted on April 21.

A police check revealed the handgun, which is four inches in length, was stolen from a car in 2013.

Its 70-year-old owner, John Souther, told newsmen he would like the 'little fellow returned', but added the weapon would require 'a bath in bleach'.

Archer was charged with gun possession and introducing contraband into a penal facility.

She has since been released on bail.

Docs get a buzz from man's bum

DOCTORS treating a man complaining of severe constipation found a vibrator in his intestines – still SWITCHED ON.

The red-faced patient refused to explain how the sex-toy got stuck up his arse after it showed up on a hospital X-ray.

But his wife finally spilled the beans by revealing it ended there during an "adventurous" session.

Nurse Stevey Pope said: "This is the first time I've encountered a running vibrator still inside somebody.

"We could see a large object that was lodged in the large intestine. That's something that requires immediate attention. It could lead to internal bleeding and infection, and major abdominal surgery, colostomy bags and feeding tubes."

Doctors eventually removed the toy in Fresno, California.

Pope added: "The wife told us things got out of control."

WARNING

THIS MAN W*NKS INTO THE MASH AT CARVERIES

SUNDAY Sport EXCLUSIVE

WANTED: Food jizzer Hoffman

IF you see this man when you are sitting down to lunch at your local carvery, DON'T eat the mashed potato.

For the chances are that he has emptied a sample of his curdled SEMEN into the creamed spuds.

This is warped Julian Hoffman, a 64-year-old whose filthy antics will appal every right-thinking person.

Last night eateries were told to be on the lookout after an investigation found he has squirted his foul cock-seed into heated bowls of mash up and down the country.

Hoffman was spotted "acting suspiciously" around the mash at a carvery in central England just two weeks ago.

When staff investigated, they spotted a stray pubic hair atop the creamy potatoes and instantly took them from the heated display.

By SIMON DEAN
simon@sundaysport.co.uk

Released

On closer inspection, a fluid – later found to be semen – was discovered in the mashed potato.

Examination of CCTV footage identified Hoffman, who was released from prison last year after serving 18 months for a spunk-in-soap-dispensers rampage across the East Midlands.

It's thought that since he was first spotted emptying his spunk into mash, at least FOUR DOZEN more carveries may have been contaminated.

Public health investigators took the unusual step of naming Hoffman and publishing his photograph in the hope that his latest spree can be brought to a swift halt.

Graham Lennard of the Health and Food Threat Taskforce said: "Carveries may not be everyone's cup of tea but that's not the point here.

"Eating a heap of overcooked vegetables, dry meat and rock-hard Yorkshires while surrounded by screaming, snotty-nosed kids of unwaged scumbag parents may be an idea that chills your blood.

"But even these sub-Jeremy Kyle creatures don't deserve to be eating some pervert's sticky white love-piss."

Lennard added: "We don't know why this man empties his ejaculatoid liquids into mashed potatoes – apart from the fact he's a ruddy nutter, of course.

"Can I say 'ruddy nutter' these days?"

BATTERED – FOR LOOKING LIKE PRINCE CHARLES

A MOSCOW man who is the spitting image of Prince Charles has been beaten up by Russian nationalist thugs.

And Alexi Valerov reckons he got his pasting because the Prince of Wales compared Russkie president Vladimir Putin to Hitler.

Welder Alexi says he was walking home to his apartment after an evening's drinking on Friday when he was set upon by skinheads shouting "You insult our nation, Big Ears".

He said: "Although I look a little like your Prince Charles, it is clear to anyone with a brain that he would not be walking through a Moscow back street on his own on a Friday night.

"But I think my assailants were drunk. Of course they were drunk, they're Russian!"

The heir to the throne caused outrage in Russia by comparing their president's actions in Ukraine to those of the controversial German statesman Adolf Hitler.

The alleged comments were made during a talk with a former Polish war refugee during a tour to Canada.

A Russian foreign ministry spokesman said that "the remarks did the prince no credit, if he really said this".

On Wednesday, Prime Minister David Cameron said he would not comment on a private conversation but added "everyone's entitled to their private opinions".

Messy sex riddle of Royle Ralf

ACTOR Ralf Little has become embroiled in a GROUP W*ANKING riddle after inviting fans to join his BUKKAKE party.

The name, given to a kinky act involving a group of men pulling their pud and spraying jizz over a willing woman, Bukkake has its origins in Japan.

Former *Royle Family* star Little (*above*) has urged people join his "Bukkake Party" as an alternative to UKIP, who won more than 160 seats in Thursday's local elections.

Writing on his Twitter profile, he said: "Filled with anger and hate? Want to take it out on someone for no reason? Forget UKIP, join my BUKKAKE Party and make a splash!"

The 34-year-old had earlier cleared up any confusion, highlighting that in this case "BUKKAKE" stands for "the British Unified Kickout of Kinds of Adults Knowingly not English".

One of his 53,000 followers tweeted: "Spread the seed and the party will grow!"

Nonces facing tough lie tests

PROBATION officers have begun rigorous training to become lie detector examiners – and will use the skill on sex offenders.

Some of the most evil nonces in the community will be put under stringent tests, with those out on licence facing some of the world's toughest approaches to supervision, Justice Minister Jeremy Wright said.

Around 1,000 will undergo the compulsory lie detector tests designed to make sure they are sticking to their licence conditions.

The lie detector is the latest in a series of plans to tighten up controls on sex offenders, which will also see their movements tracked by satellite tags, when the technology is available, the Ministry of Justice said.

Compulsory lie detector testing will start from October, once the training has been completed.

STAGGERING to think now that when it first came about, the only people who used the internet did so in a blacked-out shed wearing foil hats on their heads.

The geeks may very well still be doing that, too, but we'd wager they spend at least some of their time checking on red-hot redhead Lucy Collett's fascinating Twitter account.

For the Warwickshire lovely, 25, keeps the nation entertained by tweeting scores of her topless 30G boobs to her whopping 81,500 online followers!

Whether it's a close-up selfie, a naughty tanning bed snap, holding a can of pop between her massive boobs or showing off her cheeky nips as they go all stiff in a swimming pool – they're all there!

There's even a completely NAKED pic – with just the palm of her hand hiding the mimsy that 10s of thousands of fellas are desperate to see.

One fan, @JibberJabber3, tweeted: "Come on Lucy – I love your boobs but isn't time we saw the lot?"

Fifth bottle of wine at wheel driver's 3yr ban

A FEMALE motorist crashed her car after driving with a wine glass in one hand and FOUR empty bottles inside the vehicle.

Amanda McCabe, 43, was seen mounting the kerb before hitting a barrier at 11am.

She then simply got out and closed the door before having another drink from a FIFTH bottle and then fleeing the scene.

McCabe, of Perth, admitted driving while she was nearly four times over the legal limit in the city's Crieff Road on December 20.

Her not guilty plea to a second charge of failing to stop and provide her details after crashing into the barrier was accepted at Perth Sheriff Court.

Billy Somerville, defending, said McCabe recognised she had a problem with alcohol and had been seeking help from a number of agencies.

She was banned from driving for three years and ordered to do 150 hours unpaid work.

Porn'n'prawns judge's let-offs

A JUDGE waived traffic offences in exchange for porn DVDs and seafood.

Henry Alfano, 68, made the revelations when he admitted 13 charges of conspiracy and fraud.

The adult shop and strip club owner revealed how he had traded favours with Judge Fortunato Perri so he could get off speeding tickets.

Alfano also owned a garage and after working on the judge's car for free would place bribes in it.

Investigators recorded Perri asking Alfono to leave boxes of hardcore DVDs in the boot.

The 77-year-old also received free prawns in exchange for wiping tickets.

Both men pleaded guilty at a court hearing in Philidelphia.

Cops probe teen fanny inspection letter hoax

COPS are investigating after college kids were sent an official-looking letter warning of a mandatory VAGINA INSPECTION!

The letters, on Prior Lake High School headed notepaper, were posted to dozens of 18 and 19-year-old students in Savage, Minnesota.

The school found out about the prank when Prior Lake's police liaison officer saw a copy of the letter posted on Twitter.

Prior Lake Principal Dave Lund then sent emails to parents saying the school was "aware of this letter and we are addressing it internally.

"After a little bit of investigation and a couple of calls from parents, we found out that the flyers were distributed in mail boxes around the community."

The letter was addressed "to all female students at Prior Lake High School" and in big, bold type is "Attention: Mandatory Vagina Inspection."

CROCODILE EATS FOOTIE FAN 100 YARDS FROM ENGLAND STADIUM

SUNDAY Sport EXCLUSIVE

FOOD FOR SPORT: Fans could face same fate as Luis – as a feast for crocs

GRIM SNAPS: Bits of Luis are fished out of gutted croc

ONE person who WON'T be watching England kick off their World Cup campaign in Manaus on June 14 is local man Luis Hortega.

That's because Luis, 56, was eaten by a CROCODILE just 100 yards from the stadium where Roy Hodgson's overpaid pansies will slump to defeat against Italy.

And any one of the thousands of England fans streaming into the Areana da Amazonia could just as easily end up in a croc's belly, experts warned last night.

Slipped

Galo da Praça da Saudade fan Luis was on his way home from a traditional Brazilian glue and cider evening when he slipped into a stream running behind the stadium.

The stream is a tributary of the Rio Negro – part of the mighty Amazon system – and alive with maneating snakes and crocodiles.

And it was one of these dinosaur-age throwbacks that made a meal of unemployed father-of-15 Luis.

His fate was only revealed when his remains were recovered from the stomach of the reptile by local hunters out gathering skins for the handbag trade.

They filmed as the croc's guts were sliced open and the partially-digested hands, feet and torso of Luis were recovered.

Luckily, the footage was screened on local TV show *Coisa Louca Louca Aqui Acontecer Sim OK* (*Crazy, Crazy Thing Happen Here OK*) and Luis's widow Francesca won a new fridge-freezer.

Last night she babbled: "Blessed Holy Mother!"

Fury as anti-plant hooligan plops yards from the Queen

SUNDAY Sport EXCLUSIVE

LOOSE TROWEL: Mystery man (*circled*) dumped just yards from Queen (*below*) and TV news babe Susanna Reid (*right*)

A HUGE 'poodunnit' probe is under way after a lout with loose bowels was seen CRAPPING on prize-winning plants at last week's Chelsea Flower Show.

By JON LIVESEY
jonl@sundaysport.co.uk

Incriminating photos have captured the mucky mischief-maker crimping off a turd TWICE during a special press day attended by the Queen.

One of images features the bloke – dressed in a casual plaid shirt – plopping on a floral display that was admired by Her Majesty at close quarters just hours earlier.

Another shows him squatting and laying a cable in shrubbery a few yards behind unsuspecting *Good Morning Britain* co-host, Susanna Reid, 43.

Last night it was unclear whether the mystery sh*tter is some kind of anti-plant vandal with a vendetta against greenery or merely a man who was caught short.

However, organisers of the Royal Horticultural Society (RHS) event have now launched an investigation to try and find the cheeky crapper.

The Queen's security chiefs are also demanding answers to how this man was able to poo so close to the 88-year-old monarch.

A Royal source told *Sunday Sport*: "It's unacceptable that on the day Queen Elizabeth II visits, an individual with such flagrant disregard for decorum is able to wander around, defecating willy-nilly.

"Having a dicky tummy or loose bowels is no excuse for such repugnant behaviour. Public toilets are located less than a minute's walk from where he did his filthy business.

"We're disappointed with the show's organisers. The thought of the Queen's delicate nostrils being offended by one of this man's foul deposits just doesn't bear thinking about."

The annual Chelsea Flower Show features displays designed by Britain's top gardeners, including TV's Alan Titchmarsh.

Held at the Royal Hospital Chelsea from Tuesday to Saturday, this year's event attracted celebs such as model Jerry Hall, 57, and *Sherlock* actor Benedict Cumberbatch, 37.

Elmer Fudd teen flasher in cop hunt

POLICE officers say they are "reasonably confident" of catching a flasher after releasing this distinctive e-fit picture.

The oddball exposed himself to a 16-year-old girl at a road intersection while "making a gurgling, chuckling noise".

Cops say he struck up a conversation with the teenager before flashing his genitals.

A police spokesman in the town of Shepparton, 100 miles north of Melbourne, Australia, said: "Just look at the great galah!

"He's got a hat like Elmer Fudd and teeth like Bugs Bunny.

"Even with the bunch of funny-looking dingoes we've got around here, I'm pretty confident we can find this drongo!"

Goat shagger caught in act

POLICE arrested an 18-year-old youth for having sex with a goat.

Anthony Kangwa was caught nuts-deep in the nanny in Shiwang'andu, Zambia.

A spokesman for the local force, Bonny Kapeso, said the owner of the goat caught Kangwa "red-handed" having sex with the animal.

Mr Kapeso added: "Kangwa was apprehended and taken to the police station along with the goat.

"The suspect admitted the offence after only a little bit of persuasion by officers."

He said police have detained Kangwa while the animal will be taken for examination at the veterinary department.

LARD TIMES: Babe as she used to look (*left*) and with great gran (*above*)

GORGEOUS Jayde Usher has transformed herself from frump to FOX – thanks to a £10,000 makeover from her dead great granny!

By RACHEL SPENCER
rachel@sundaysport.co.uk

Just a few years ago, the 24-year-old weighed 17 stone and was so miserable about her looks she barely left the house.

The last straw came for her after a member of the public asked if she was PREGNANT – such was the bulge on her lardy belly.

Determined to take action, Jayde dipped into funds left her by beloved great granny Rosa Burns, who'd passed away in 1995 when Jayde was just a four-year-old.

And now – after a tummy tuck and BOOB JOB – scorching-hot Jayde is a 10-stone pin-up and NUDE glamour model!

She told *Sunday Sport*: "I know my great gran would have wanted me to be happy.

"My gran, her daughter, gave me her blessing to use the inheritance money to completely transform my body, as everyone knew how desperate I was to get in shape.

"I think Rosa would be proud, and I hope she's looking down on me with a tear of joy in her eye.

"Now I'm so happy with my body, and I have so much more confidence.

"I've signed up to a model agency,

THERE'S A THERE'S A WAHEY!

£10k inheritance from great gran has turned Jayde into topless stunna

MONEY SHOT: Jayde used cash to turn her life around

NOW

and doing my first topless shoot for the *Sunday Sport* was just INCREDIBLE.

"I've come a long way from being embarrassed about looking at myself in the mirror, to showing off my body to the whole of Britain!"

Jayde spent £5,000 on a stomach lift and £5,500 on breast implants, taking her from a flabby 36B to a finger-stretching 36E cup size.

Now Jayde says she's gone from being a quiet wallflower to the centre of attention during nights-out in her home town of Leicester.

She added: "I've fantasised about being a model for a long time, but never in my wildest dreams did I think it would actually happen.

"I was always seen as the 'fat one' among my group of friends. Whenever we went out, I would lose confidence and fade into the background.

"My mates are all a slim size 10, and I was a size 18. Lads didn't look twice at me.

Knickers

"Boys would say I had a nice face, but no-one ever wanted to get into my knickers.

"I used get really upset and down about my lot in life."

Jayde was working as a cleaner in a hospital when her father died, and she fell into a vicious circle of comfort eating – scoffing a cooked breakfast EVERY morning, followed by sandwiches and crisps at lunch and a hearty spaghetti bolognase or cottage pie in the evening.

Tearful Jayde adds: "I was at work in the hospital when a random old lady asked me, 'When are you due, dear?'

"My world collapsed – I was so fat she thought I was up the duff!

"But that was the final straw – the push I needed to do something about my heft.

"I was determined to look like my friends and I'd had enough of being the chubby one. So I swapped my old diet for salads and lots of fruit and veg and slowly the weight came off."

After three years, Jayde reached her target weight, but was left with unsightly excess skin and felt her saggy breasts didn't match her new shape.

Beaming Jayde, who now works as a hairdresser and admin worker, and lives with her boyfriend Justin, 29, now LOVES her pointy assets.

She purred: "I love my new boobs, and so does Justin. They're so pert, and huge!

"I'd love to work full-time as a professional model.

"I just hope being in *Sunday Sport* will be the start of a wonderful new career."

Nat: Enders lesbo snogs are for real!

EASTENDERS yo-yo dieter Natalie Cassidy has lifted the lid on her lesbo snogging secrets.

The actress, who plays Sonia Fowler in the BBC soap, is having an on-screen all-girl fling with Tina, played by Luisa Bradshaw-White.

And the 31-year-old says their steamy soap smooches are 100 per cent GENUINE!

Nat, whose character Sonia is married to Martin Fowler, said: "We have to kiss and yes, it's a proper snog – with tongues and everything!"

Natalie first joined the soap when she was just 10, but left in 2007 after a disagreement with bosses over her character becoming a full-time lesbian.

The trumpet-playing lass had a fling with nurse Naomi Julien (Petra Letang), which led to Natalie leaving Walford.

She said: "At the time I didn't think it was right for her."

DO MY LADYGARDEN, MR BLOOM

CBeebies star bombarded with filth from randy mums

RUDE FOOD: Telly gardener is pin-up

RED-FACED telly bosses have slammed horny housewives who bombarded a hunky CBeebies presenter with lewd SEX messages.

Actor Ben Faulks has won scores of lusty admirers playing Mr Bloom, a gardener who helps children to 'get involved and inspired by nature'.

But it's not shrubberies that some female viewers want tinkering with – it's their downstairs BUSH.

And after leaving a slew of rude utterings on the official Facebook page, flustered BBC censors had to step in to get them removed.

One cheeky minx told Mr Bloom: "Feel my melons to see if they're firm."

Another clucking mum offered: "Come round and do my lady garden."

A spokesman for the Beeb said they'd taken urgent action to get rid of the jaw-dropping comments, which had been posted during a supposed Q&A session with Faulks, 35.

By NEIL GOODWIN
neil@sundaysport.co.uk

He said: "A small number of personal or inappropriate comments about one of our CBeebies presenters were removed by moderators."

Session

One yummy mummy Louise Robson later wrote, "Can't say anything that I would like to on a children's site haha xx lush!"

Meanwhile Kate Ellerby tittered: "I don't think my questions would be allowed."

Faulks has sought to play down his status as a CBeebies sex symbol, saying he was 'bemused' by all the attention.

He added: "It's just really nice that the show is popular."

J-Lo's seat is not to be sniffed at!

SEAT sniffers are in for a treat – because Jennifer Lopez's car is up for sale at auction!

The Aston Martin DB7 convertible was given to Jennifer (*above*) by her ex-fiance Ben Affleck in 2002.

And because her delicious derriere has caressed the leather upholstery, the car is expected to fetch £35,000 when it goes under the hammer at Silverstone Auctions on Saturday May 24.

A spokesman for the Brit auction house said: "This is the limited edition Alfred Dunhill example, chassis number 002 of the 150 model run.

"The car has covered fewer than 15,000 miles and is fantastic condition. Clearly J-Lo and Affleck had great taste."

Jennifer, 44, and Ben, 41, split in 2003 after a two-year long relationship.

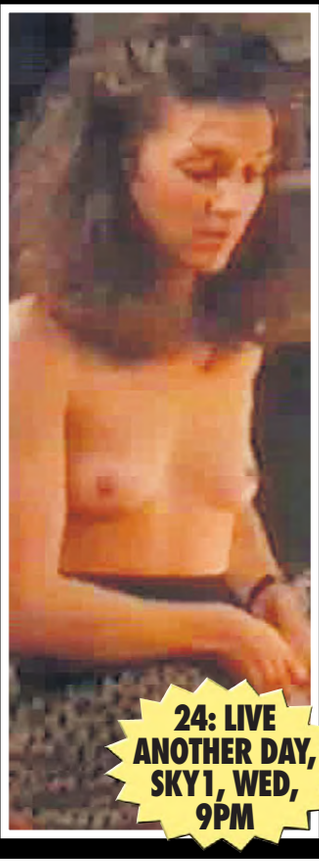
SEX BOMB: Michelle gets nude in 1993 flick *Comics*

BADDIE FROM 24 TOPLESS



24: LIVE ANOTHER DAY, SKY1, WED, 9PM

TWENTY PHWOAR! Michelle (*left*) as Margot in the new *24* show

AS the villainous widow of a notorious terrorist in *24: Live Another Day*, sexy Michelle Fairley knows all about secret explosives.

But she hasn't always been able to keep her bouncing bombs covered up – as these TOPLESS pics prove.

In the new 24 series, Michelle plays Margot – a British national mourning the death of her hubby, who happened to be a violent extremist.

By JON LIVESEY
jonl@sundaysport.co.uk

Set in London, four years after the events of *24*'s 'final' episode back in 2010, the show follows the further exploits of Jack Bauer, played by Kiefer Sutherland.

Her ominous presence may have Bauer dreading the dawn of new day, but our boobs-out snaps are enough to put a smile on any red-blooded fella's face.

Michelle, 50, flaunted her perky norks several times in 1993 TV movie *Comics*.

And her flashing past hasn't escaped the attention of her co-stars.

One show insider said: "We've had a few comments about her bangers – and I don't think they mean her character's bombs!"

Wallpaper fingers dick pics sender

A STUDENT was convicted for sending pictures of his genitals to classmates on the internet – after victims recognised the WALLPAPER in the background.

The 18-year-old man set up a fake Facebook account which he used to send pictures of his cock to at least 12 women, many of whom were college friends.

At least one of the victims in Ljungby, Sweden, recognised the wallpaper behind the youth, as it matched wallpaper seen in an Instagram post.

She made a connection between the two accounts, which led to the man – who cannot be named – being prosecuted.

He was convicted of sexual harassment and ordered to pay £500 in damages to two of the women, whom he'd also sex-texted, a must do community service.

Silly faker's false willy!

A MAN is in trouble after trying to trick a drug test by wearing a fake COCK.

Clinton Jackson, 23, is charged with violating his probation and attempting to defeat a screening test.

Jackson's probation officer noticed him pulling on something while he was taking the test, and discovered a fake penis connected to a hose and a bag filled with urine.

Jackson (*above*), of DeKalb, near Chicago, appeared in court and was remanded in custody.

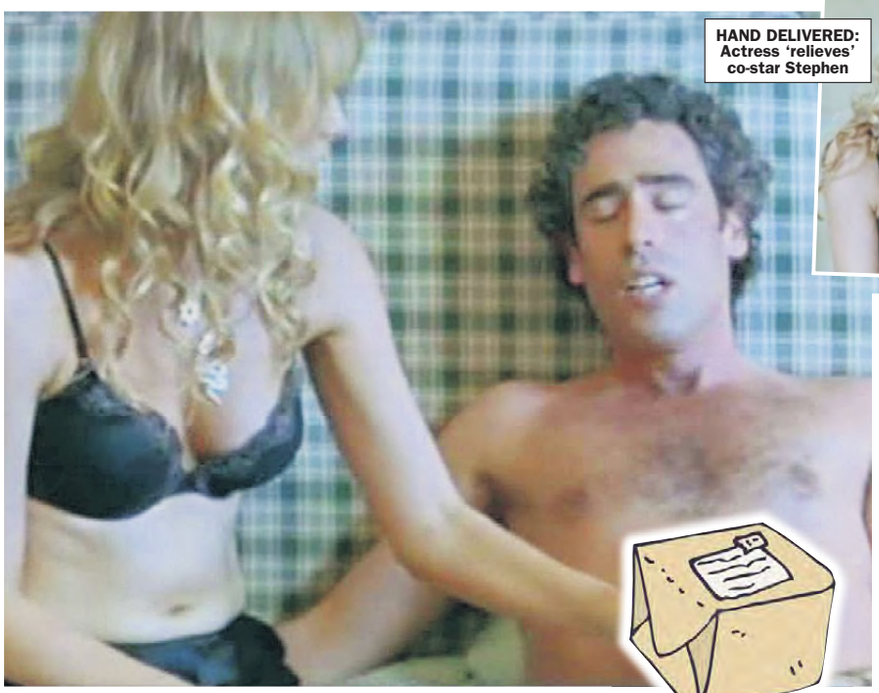
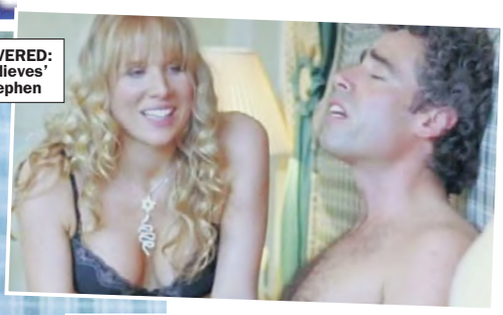
POSTMAN PAT EXPLICIT SEX ACT SHAME

Shock as new movie released

HUGE PACKAGE: Stephen with Pat at film's premiere





HAND DELIVERED: Actress 'relieves' co-star Stephen

POSTMAN Pat once aired his bulging PACKAGE in an X-rated sex scene SO RUDE it would probably give Greendale's Mrs Goggins a heart attack!

Everyone's favourite Royal Mail worker is the subject of a new film out this week – *Postman Pat: The Movie*.

By NEIL GOODWIN
neil@sundaysport.co.uk

Comedy actor Stephen Mangan voices the van-driving postie. But what Pat fans won't know is that the 41-year-old star had his Johnson tugged by a hot blonde in an X-rated film.

The astonishing moment – which showed a huge knob in all its purple-helmeted glory – came in 2005 film *Festival*, before Mangan shot to fame in Channel 4 comedy show *Green Wing*.

Donger

And the stunna seen pulling Mangan's pud, actress Lucy Punch, went on to worldwide fame starring with Cameron Diaz in 2011's *Bad Teacher*.

Festival director Annie Griffin later admitted that Mangan didn't really have his donger out – it was a 'prosthetic penis'.

Mangan himself says he's more than happy to indulge in a bit of slap and tickle on the big screen.

The star of telly shows like *Jane Hall* and *Dirk Gently* recently said: "Most of the time I'm involved in any kind of sex scenes, they tend to be comedy.

"I don't tend to do much of the satin sheets, Lionel Ritchie, beads-of-sweat-style scenes.

"Most of the time, I'm in involved in more comic scenes, which I must say I prefer as I can't bear to watch myself kissing anyone on screen.

"The thought always goes through your mind that people are out there thinking, 'I bet that's how he does it in real life' – and it's not.

"It's an incredibly artificial environment. In real life, I'm a red-hot lover!"

But Mangan still reckons he's the perfect man to play cat-keeping postie Pat.

He added: "You can't do a more quintessentially English story than Postman Pat.

"He's also the nicest lead character in a cartoon – though possibly not the sexiest."

Lee's Giggsy 'sh*g' quip stuns diners

MANCHESTER United legend Lee Sharpe left Old Trafford dinner guests stunned by saying he taught Ryan Giggs (*above*) all he knew .... "except sh*gging his brother's wife!"

Sharpe, 42, was the after-dinner speaker at a charity fundraising day at the stadium for Manchester-based cancer hospital The Christie.

He told stories about Sir Alex Ferguson and about Gary Neville being "thick" and branded sacked boss David Moyes "unqualified for the job".

But he left watchers speechless when he cracked a joke about 40-year-old coach Giggs' fling with sister-in-law Natasha.

The winger joked: "I used to get blamed for everything involving Ryan, for supposedly leading him astray.

"Except when he got caught sh*gging his brother's wife – he can't blame me for that one!"

Afterwards one Utd security guard said: "It's the first time I'm aware that Lee has done a dinner speech at Old Trafford – and might be the last now!"

DEANO ON SUNDAY

LAST week, after a little enthusiastic underwater swimming, I needed my ears syringed.

An NHS "walk in centre" told me they could not do it, as I did not live in the area. Another surgery told me I'd need to wait three weeks.

So I registered at a surgery near to my new house and had to wait the grand total of half an hour before the job was done and I was on my merry way.

Is this the postcode lottery that the papers talk about?

You'd think that the NHS, of all people, would be able to work out the difference between arse and elbow.

THIS was on the BBC website last week: "Tesco is to stop sweets and chocolates being sold at checkouts at its smaller stores in an effort to help customers make healthier choices".

"Help customers make healthier choices"? Since when has it been the job of our national, taxpayer-funded broadcaster to retype f*ing Tesco press releases.**

Tesco are moving toffees from the checkouts as they reckon that will get them decent publicity and make them look like "responsible retailers".

It is NOTHING to do with "helping customers make healthier choices". For the BBC to repeat this PR spin is lazy and unforgivable.

See that? *Sunday Sport* lecturing the BBC on sloppy journalism. That's how far they've sunk.

Is Boko Haram load of hokum?

HERE's a thought: Do we really know that a group of Islamic militants called Boko Haram kidnapped 300 schoolgirls in Nigeria?

I mean, *really* know?

Yes, I know it was on the news. But the news also told us Saddam Hussein had weapons of mass destruction that could kill us all stone dead in 45 minutes.

When you look at it, stories of schoolgirls being kidnapped sound very similar to the 1914 stories of evil Bosche bayoneting babies (*left*) and raping Belgian nuns which were used to sell Britain's involvement in the First World War.

Surely no power would invent a story of girls being kidnapped to justify western military intervention in Nigeria, would they?

Why would the West want to invade Nigeria, anyway? Apart from the fact it sits on umpteen billion barrels of oil.

Message to Dave – stop calling us tw*ts!

DOING WELL: Nigel Farage 'talks the language of Brit voters'

WELCOME to Britain – a nation of fruitcakes, loonies and closet racists.

Not my words, of course. They are the words of our esteemed Prime Minister, who not long ago slandered UKIP supporters as neo-fascist maniacs.

Get a big spoon, Dave. And eat your f***ing words.

Because in Thursday's elections, Britons voted for UKIP in their millions.

We won't have the results from the European elections until later today but odds are Mr Farage's mob will have done pretty well in them, too.

That's in spite of the concerted attack and smear campaign against UKIP by the Establishment, led by the Tories and chorused by shameful, lickspittle media toadies.

I say "in spite of". Maybe it's "because of".

Everywhere you looked, people "in the know" from the BBC to The Sun paper (there's an alliance!) were attacking UKIPers as nasty racists with repellent views. But the ordinary people of Britain thought: "Hold on, those UKIP blokes talk a language closer to mine than Tories, Labour or that other lot."

News that a middle-aged UKIP councillor once said "nig-nog" may draw gasps from a *Question Time* audience in north London.

But in Swindon and Stoke-on-Trent and – quite frankly – in my living room it doesn't cause an attack of the vapours.

Every time the left-liberal Establishment called UKIP tw*ts, they were calling millions of ordinary Brits tw*ts – and nobody likes being called a tw*t.

UKIP did well everywhere in the English council elections. Everywhere except London, that is.

What more proof do you need that Britain is ruled by a foreign country.

A foreign country called London.

I'M not entirely sure what a Kim Kardashian is. But I'd rather like to see her on the toilet.

Just a tinkle, mind. I'm not a pervert.

GAME OF BONES!

Sword and sorcery series babe is taboo sex and watersports PORN STAR

GAME OF THRONES, SKY ATLANTIC, MON, 9PM

PORK SWORD AND SANDALS: Sam in Game of Thrones and *(left)* showing off her stunning natural curves

A STUNNING new actress on TV's *Game of Thrones* boasts a taboo hardcore PORN secret to make your eyes water, we can exclusively reveal.

By NEIL GOODWIN
neil@sundaysport.co.uk

Pretty brunette Samantha Bentley made her debut during last week's episode.

She starred as one of two new love interests for sword-swinging pirate Salladhor Saan, aka Brit actor Lucian Msamati.

And while Sam, 26, bared her pert 34D boobs on screen, that's NOTHING compared to what she gets up to away from the fantasy show.

Slippery adult actress Sam, from Sutton, south London, has performed in X-rated scenes to make a hardened grot enthusiast blush.

She's a keen fan of anal, loves a bit of fisting, and is also a practitioner of WATERSPORTS – starring in one explicit flick in which she took a wee on a mirror before drinking her golden juices.

But despite her eye-popping CV, Sam is desperate to become a proper actress and household name.

She said: "With porn, I don't ever want to get to the point where I'm milking it, where I'm standing there going, 'Oh God, nobody's looking at me anymore'.

"I can't do porn forever – I want to branch out and do more mainstream stuff.

"There was no sex in my first scene, which I guess some people are surprised about. But I was naked."

An appearance on Sky Atlantic's *Game of Thrones* isn't Sam's first big break – she also had a speaking role in last year's Steve Coogan flick *The Look of Love*.

Filthy

And Sam says that because her sex worker character hasn't been killed off, she's confident of a return in future episodes.

She added: "Though I did want a grisly death, I'm still living, so who knows?"

All-natural beauty Sam – who began nude modelling while studying at university – has starred in such boner-inducing opuses as *Anal Debauchery III*, *Fingers Tongues and Bums*, *Pussy Galore II* and the classic *Samantha Bentley Is Filthy*.

'Cow Bummer' and 'Cat Fingerer' flee open prison

ON THE LAMB: Animal worriers Ashworth and Cummins

HOW DID MONSTERS WHO EARNED THESE NICKNAMES GET DAY RELEASE PERMITS?

AS far as criminal nicknames go, 'The Skullcracker' takes some beating.

But now there are two more menacing monikers to strike fear into the British public, after 'The Cow Bummer' and 'The Cat Fingerer' escaped from open prison.

Earlier this month armed-robber Michael Wheatley – aka Skullcracker – spent four days on the run after slipping the net while on day release.

By JON LIVESEY
jonl@sundaysport.co.uk

Now justice campaigners are demanding an urgent review of prison rules after two animal shaggers also absconded.

Vile Kurt Ashworth, dubbed "The Cow Bummer", is serving four years for bonking and killing cattle across South West England.

And Robert Cummins, aka "The Cat Fingerer", was given three years for violently probing innocent felines.

The pair, aged 43 and 48 respectively, were allowed to leave Little Gobbing Open Prison in Dorset on temporary licences last Thursday.

But both men failed to return to the minimum-security clink within the pre-authorised 24-hour period – prompting a massive police search.

The thought of the pair wandering the South West has got locals and holidaymakers were up in arms.

Frances Nash, of Throw Away The Key, a campaign for tougher jail sentences, said: "People in the area are astonished – and who can blame them?

"Offenders like these two, no matter how well-behaved they've been in nick, shouldn't be let out until they've served their time.

"God help the local wildlife…"

DUBAI

THE Arab state announced it is to stop jailing terminally ill patients, OAPs, pregnant women and under 18s for defaulting on debts.

The legislation will stop the imprisonment of both Emirati and foreign seniors.

PARAGUAY

THREE men hunting for treasure were trapped 200ft underground and assumed dead after the earth caved in around them.

The trio went illegally digging in Aregua – 20 miles from the capital, Asuncion – with no permit for the dig.

NEW ZEALAND

POLICE were left scratching their heads after a cat in Dunedin deposited a bag of CANNABIS weighing 5g at its owner's house.

Local police sergeant Reece Munro said: "You hear of cats bringing dead birds and rats home, but I've never seen anything like this before."

SPAIN

HUNDREDS of dead bodies, originally donated to science, have been left to sit at room temperature in the Anatomy and Embryology unit of the Complutense University in Madrid.

Some of the 250 corpses have mummified with age.

RUSSIA

RUSSIA and its allies reckon Eurovision is morally "toxic" – after a bearded Austrian drag queen's win – and want to establish their own 'Eurasian' version of the popular song contest that upholds "traditional and moral values".

Russian lawmakers have proposed creating their own version after this year's contest was won by Conchita Wurst, who openly promotes gay rights.

FRANCE

PARIS cops arrested a drunk after he began climbing the Eiffel Tower.

He made it around 100 feet up a pillar before officers talked him down and then hauled him off to jail.

Police didn't give a clear reason as to why the man had decided to mount the monument, except to say: "Basically, he was drunk."

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

IT'S been a stunning week for Nigel Farage and UKIP, as they caused an earthquake in the local government elections, and changed the face of British politics forever.

Or so that's what I was told when I watched the news on Friday. Then I looked at the stats and saw that UKIP had come a distant fourth, faring worse than the Lib Dems.

That's the Lib Dems, who have become the political equivalent of the weird, creepy uncle who no-one wants to be left alone with at a family gathering – in case he starts talking about how he performed self-surgery on his genital warts.

That's less of an earthquake and more of discreet fart – the kind you let go in a lift just before you get out.

Which is ironic, because Nigel Farage has usually got the look of someone who's just sniffed it.

KIM Kardashian and Kanye West are finally tying the knot today, the latest chapter in one of the most delightful tales of celebrity romance in recent years.

Actually, to tell you the truth, I wouldn't recognise the pair of them if they were in my back garden, digging for corpses. Because there definitely aren't any there.

I don't even know why I said that. Pretend I didn't. No corpses whatsoever.

PRINCE Philip found himself in hospital earlier in the week, having what was described as 'a minor procedure' carried out on his right hand. Me and him have obviously got a lot in common – my right hand's been used so much over the years that it looks more like a claw these days.

I didn't know that it was possible to get it treated though.

Think I'll go in and see my doc on Tuesday morning and ask about getting it rebuilt.

Bionic w*nking – it's the way forward for me!

I NOTED with interest that someone had put a small piece of paper with the word 'The' written on it up for sale on eBay. And within a couple of days, the highest bid for it was £50.

We're living in a world full of complete and utter c***s, aren't we?

As film released about papier mache-head funnyman...

QUITE FRANKLY: Fassbender (*right*) plays lead in new movie (*above*)

By JON LIVESEY
jonl@sundaysport.co.uk

YOU won't see scenes as SAUCY as these in the new movie inspired by 80s cult comic Frank Sidebottom!

Directed by Lenny Abrahamson, *Frank* stars Michael Fassbender as an eccentric singer-songwriter.

The plot is loosely based on the life of the late Chris Sievey, the man behind the banjo-playing, papier mache-headed comedy character from Manchester.

Sievey died in 2010 at the age of 54 after a short battle with cancer, but as our pics show, he was a huge fan of the finer and fuller things in life.

He frolicked with legendary glamour babe Leah Harper and the 34C stunna's topless pal Lindsay after filming the video for The Filthy 3's song, *We're The Sweeney*, in the 90s.

Abrahamson decided against recreating Sievey's racy antics with the boobs-out beauties in his new movie, which also stars Domhnall Gleeson and Maggie Gyllenhaal.

Tips on Tits

ROTHERHAM United and Leyton Orient battle it out today in the League One play-off final and it will certainly be one to watch!

To get to the final, Leyton Orient overcame a Peterborough side that were tipped for promotion at the beginning of the season, whereas Rotherham United came up against Preston, who were favourites going into the play-offs.

TIP OF THE WEEK

I THINK the experienced heads will make the difference for Orient today. Veteran Kevin Lisbie will be the one Rotherham need to watch the most, but skilful midfielder Dean Cox and striker Chris Dagnall are also a threat. I'm going for Leyton Orient to win and both teams to score (BTTS) at 5-1 at bet365.

THE BREAST OF BRITISH!

Are these the best natural boobs ever?

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

SIZZLING Sarah Randall would hate to be stick thin – because CURVY girls have better SEX!

The 25-year-old Cardiff beauty has opened up about her love of a fuller figure, revealing blokes can't get enough of her jaw-dropping assets.

But they aren't just for show, as Sarah reveals they come in very handy in the bedroom as well.

The *Sunday Sport* Cover Girl – who boasts smashing 32HH boobs – said: "I *love* being voluptuous. It makes me feel feminine and sexy – I definitely feel more like a woman with curves.

"Being curvy looks so much better than being wafer thin. Big boobs and a nice round bum are really hot.

"Men love it too. They want a real woman with something to hold on to. I think curvy girls have much better sex.

"I wouldn't change a thing about my body. I'm proud to be flying the flag for womanly curves and I'm always being complimented on my figure."

CAPTION CONTEST

WIN £50

YOU really caused a SPLASH with your entries for last week's Caption Contest, folks.

But only one can be champ – this time it's **Andy Berry**, of Welton, with: "I'm only taking Tom Daley's advice. He said, 'Open your legs wide, clench your buttocks and a deep breath...'"

A cheque for £50 will be on its way to Andy soon. But lots of others gave us a good giggle.

Steve Sheppard, of Doncaster: "I think that diving board needs slackening off a tad."

Gerry Exall, from Weston-super-Mare said: "F*** me! The bog seat's been bleached again."

A R Hall, Porthcawl: "Indecisive diver Fu-kin Wan-ka couldn't decide whether to take a dump or a dive first, so he did both at the same time."

Tommy Coleman, of Newton-le-Willows sent us: "Which sick bastard put super-glue on my hands? I really need to scratch my nose!"

Michael Degnan, of Bishop Auckland tried: "Tom Daley's let himself go a bit."

Phil Chater, from Stourbridge: "Off the 10-metre board, Tom Daley prepares to experience a ring stinger...for the second time today."

Jerry Royer, from East Ham: "I shouldn't have had that curry last night. Looks like I'll shit my pants in the water."

Now it's YOUR turn to see if you can win a cool £50 with your wit.

Just come up with a caption for the pic on the left, fill in the coupon below and send it to our HQ: Caption Contest, c/o *Sunday Sport*, Floor 3, Maclaren House, Lancastrian Office Centre, Talbot Road, Old Trafford, Manchester M32 0FP.

Entries must be with us by Friday. Best of luck!

Numbers within the 070 range have been designated as Personal Numbers by OFCOM and are available for the use of Personal Numbering Services (PNS). The formal definition of such services, as set out in the National Telephone Numbering Plan is: "a service based on number translation that enables End-Users to be called or otherwise contacted, using a single personal telephone number, and to receive those calls or other communications at almost any telephone number, including Mobile Numbers." 070 numbers are not premium rate however the cost of calls to 070 number may vary between service providers.

STUDENTS TALK SEX!

LOUISE McHUGH

AGE: 21
FROM: Scunthorpe
UNIVERSITY: Northumbria Uni
STUDYING: French
FAVE FOOD: Hawaiian pizza
FAVE DRINK: White wine
FAVE ACTOR: Bradley Cooper
MOST FANCIED MALE: Simon Cowell
FAVE FILM: *Wolf of Wall Street*

BECKY WALKER

AGE: 20
FROM: Beverley
UNIVERSITY: Northumbria Uni
STUDYING: Sociology
FAVE FOOD: Roast beef dinner
FAVE DRINK: Pernod
FAVE ACTOR: Hugh Jackman
MOST FANCIED MALE: David Beckham
FAVE FILM: *Bridesmaids*

FAVE POSITION

LOUISE: I love it when a guy goes on top and fiddles with my clit at the same time. That always gets me off.

I like to lie back and enjoy myself and let the bloke do the work.

Don't get me wrong, I'm happy to put in the effort and go on top from time to time too, but missionary is my fave.

BECKY: Mine is from behind. I love a big pair of balls swinging around my bits. You get deeper penetration as well, that way.

And I quite like it when the bloke slaps my arse a bit too.

OH NO MOMENT

BECKY: Have you ever been caught at it?

LOUISE: No, but I have been told off by my flatmates for making too much noise and they nearly came in to tell me to shut up!

I went out the other week and pulled this lad. I didn't shag him on the first night though, I went out for a drink the next night instead.

I knew he would be a good shag, so I took him back to mine and we were at it for hours.

I was a bit tipsy and you know what it's like, you forget about other people being around.

The next day all three of the blokes I live with sat me down and gave me a talking to. It was so embarrassing.

BECKY: Oh no, that is proper cringey. I live with a load of rugby lads and I was having sex one night and one of them burst in naked and started waving his willy around for a laugh!

Normally, I'd have been horrified being naked in front of him but given he was stark bollock naked as well I wasn't that bothered.

But then I did a really loud fanny fart and he heard it. I've never lived it down.

BUM FUN

LOUISE: Have you ever tried anal?

BECKY: Well, kind of. A boyfriend from back home put it up there for a bit but I didn't like it very much. And I've not done it since.

I think it's something I might get into when I'm a bit older and when I want to spice things up.

LOUISE: Yes, I agree. I once had a guy try it when I was on holiday in Kavos.

He was doing me from behind and he sneaked it up there.

It really bloody hurt as well, because it was a surprise.

So it's put me right off now. I can't see me wanting to repeat it again for ages.

SEX TOYS

BECKY: Have you got a vibrator?

LOUISE: Yes, my friend got a free one when she bought a Rabbit so she gave it to me. It's one of those bullet things.

It's little and silver and you use it on your clit when you have sex. It's good.

Some blokes can be a bit funny when you get it out though. But they like it because it means I can have an orgasm while we have sex.

BECKY: I've never tried one, but I did have a boyfriend who put a wine bottle up me once.

The worse thing was the cork came off it and it got stuck up there for a bit!

LOUISE: At least you didn't have to go to hospital – that would have been well embarrassing for you!

ORAL PLEASURE

LOUISE: I love giving blowjobs and I know I'm good at them. That was one of the things my flatmates said when they told me off for making noise.

The guy was as loud as me and yelled the house down when I was sucking him off. He loved it!

I think it's a right buzz being able to be in total control and drive a man wild. And I'll swallow too, unless I'm too tipsy after a night out and I think it might make me throw up.

BECKY: Yeah, I don't mind giving head, but as long as they return the favour. I do struggle getting a willy in my mouth though, as it's quite small.

But I've never had any complaints. I think it's good to use your hand as much as your mouth too, so you are tossing them off as well.

Then it's all over in no time!

FOOD SEX

BECKY: Have you ever had food sex?

LOUISE: Yes, me and this lad I used to see once got a bowl of Cookies and Cream Haagan Dazs ice cream and took it to bed with us.

It was really horny. He covered me in it and licked it off and the sensation of the cold and his tongue was brilliant.

But you should have seen the state of my bed sheets in the morning! They were all brown and minging!

BECKY: Ha, there's a lesson for you – use vanilla next time and it won't be so messy I reckon!

I once used whipped cream and strawberrie,s which was fun.

And another time, I was having sex in the kitchen and needed a bit of lube, so I just scooped a lump of margarine out of the tub and used that!

LOUISE: Ugh, that is gross! Did your flatmates eat from it after?

BECKY: Yes, but I never told them! I hope they don't read this now though!

DRESSING UP

LOUISE: Have you ever done any role play with a fella?

BECKY: Yeah, I once dressed up as a college girl – that was fun. I pretended I'd been naughty and my boyfriend put me over his knee and gently spanked my bum.

I was trying to be all serious and pretend it was for real but I couldn't stop laughing!

LOUISE: You nutter. I've dressed up in nice underwear and hold-ups and heels but that's as far as I've gone. It did make me feel sexy – and the lad loved it too.

WORST SEX

BECKY: Mine was a one-night stand I had a couple of years ago. I got chatted up by this gorgeous fella in a club in Fresher's week and he invited me back to his halls of residence. I couldn't believe my luck – I'd only been at uni a few days!

When we got back there, we were just getting down to it when a few of his mates started hammering on the door. They had turned up with a load of beers and wanted to carry on drinking.

I told him to ignore it because I really wanted a shag. But he put his clothes back on and bloody let them in for a party! After listening to them talk about football for two hours I made my excuses and left.

I was so gutted!

LOUISE: Mine was with this fella I pulled on holiday once in Spain. He was local and worked in a club and kept giving me free drinks.

At the end of the night he asked me back to his flat and he was dead good looking so I said yes.

But he was totally crap in bed – he didn't bother with any foreplay and it was over in about two minutes.

Plus he hardly spoke any English so I couldn't even tell him what I wanted him to do to me.

I kept trying to show him but he just shoved it in!

THREESOMES

LOUISE: I've not done one but it is definitely on my to-do list.

BECKY: No, me neither. If I was to give it a go, it would have to be with a lad and another girl that I really fancied.

> "It's good to use your hand as much as your mouth..."

FIRST TIME TOPLESS... EMILY ADDISON

By JUSTIN DUNN
justin@sundaysport.co.uk

WHEN a lady wants to take her clothes off for the delight of the public, where better to do it than on the hallowed pages of *Sunday Sport*?!

Luscious New Yorker Emily Addison has modelled all over the world – often in states of extreme undress.

But she had never appeared in a newspaper before finding Britain's BREAST paper!

Emily, 29, who is blessed with incredible 32DD boobs, picked up a copy of our esteemed title while on a modelling assignment in London – and was instantly hooked.

She told us: "I flicked through the paper and couldn't believe my luck – I just HAD to ask if I could appear in it!

"I'm American – so I didn't get all of the humour – but some of it really made me laugh out loud.

"And the girls – wow! They're all so gorgeous!

"So I'm proud to be making my newspaper debut in *Sunday Sport*. I just hope your readers like my new photos too!"

BOOBS ON THE BOX

Britain's only naked TV guide

with JUSTIN DUNN

TODAY

C5, 10pm, *Drive Angry*
THE impressive, bouncy breasts of Christina Campbell *(left)* make a wonderful sight as she's getting knocked out by Amber Heard at 13 minutes.

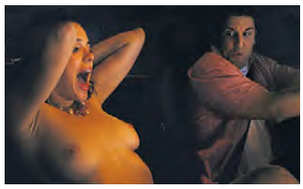
Film4, 11.10pm, *Fatal Attraction*
NOT a movie for fans of shagging about. Or of rabbits. Glenn Close's boobs have a lot of fans though and they are on show at 33 minutes *(below)*.

TOMORROW

Movie Mix, 11pm, *Black Widow*
THERESA Russell is nude in the pool at one hour 19 in this thriller.

TUESDAY

Sky Comedy, 9.40pm, *American Reunion*
OR "Let's flog the *American Pie* dead horse once again". Thankfully, good tits on Ali Cobrin *(below)* are on show at 42 minutes.



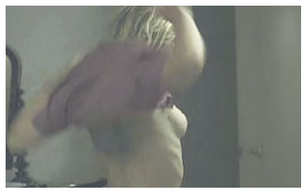
Sky Sci-fi-Horror, 10pm, *Severance*
JUDIT Viktor is naked and in a hole at one hour 25 *(below)*.

WEDNESDAY

ITV, 11.10pm, *Total Recall*
LYCIA Naff *(below)* plays the famed three-titted woman in this sci-fi classic. Tune in at 55 minutes. Sharon Stone's tit end also makes an appearance at four minutes in.

C4, 1.20am, *Julia*
TILDA Swinton lets her nipple peep over the bedsheet at one hour 42 minutes.

Film4, 11.35pm, *Beginners*
MELANIE Laurent shows a fair bit of side boob *(below)* at 1 hr 3 mins. Be warned though, this movie sounds like bilge.



THURSDAY

BBC1, 11.35pm, *The Crossing Guard*
PRISCILLA Barnes *(above)* whips out some fine breasts at 37 minutes, no doubt delighting Jack Nicholson.

FRIDAY

More4, 9pm, *The Bank Job*
LOUISE Chambers *(below)* gets each-ended by a couple of fellas just 57 seconds in. Not a bad start.

SUN LOVIN' STACEY WHIPS OFF HER TOP!

Stacey O'Connell
Age 29, 34C-24-35, from Banstead

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

SIZZLING Stacey O'Connell loves going on holiday – so she can get her BOOBS out!

The 29-year-old beauty has opened-up about her love of a topless sunbathing session, saying her 32C charms always get plenty of attention from male admirers.

Stacey, from Banstead, Surrey, revealed: "The best thing about a trip abroad is getting topless by the pool. The second I get to my hotel that's it, the bikini top is straight off!

"I'll find a nice lounger and just start sunning myself.

"I always get a lot of attention from other guests but I don't mind. I'm proud of my boobs so I enjoy showing them off.

"You couldn't do that at an open air pool in England. People would give you funny looks – and it's way too cold.

"And your nipples would end up so hard, they could have someone's eye out!"

Dear Krystal,

MY bird's sister is teasing me by turning me. I've fancied her for years and the only reason I got with my girlfriend in the first place was to get closer to her sis.

My girl is pretty enough but her sibling is always telling me how hard she's been f***ed over the weekend and how she got it doggy-style and she screamed when she orgasmed.

I'm sure she knows what she's doing to me and my bird thinks it's all hilarious. But what she doesn't see are the looks her sis gives me when she's relaying these stories.

She'll lick her lips seductively and put her finger in her mouth, like she's sucking a cock!

She's even gone as far as doing a Sharon Stone and I nearly exploded in my trousers on the spot. Should I make a move on her?

MD, Lancs

Krystal says...

SOUNDS like this girl is just a prick-teaser. Don't go there.

Dear Krystal,

MY Chihuahua doggie never shuts up and his barking is upsetting the neighbours.

One guy who lives across the road came to complain about the noise and I'd just got out of the shower when I answered the door to him.

I don't know how, but my skimpy dressing gown blew open and he could see my neatly-trimmed pantbeard and my 36DD boobies.

I think it distracted him because he soon forgot about the rant he'd gone into as I opened the door to him and he feasted his eyes on my parts.

Well, I could tell he was turned on by me – he was stood gawping, open-mouthed at my tanned naked body.

So I decided to tease him a little and I let a finger wander down to my pussy and I slid it between my legs.

"Is there something you...want?" I slowly asked him as he stood there drooling at the site of me gently massaging my clit.

Then I heard his wife from over the road calling him to come back and fix their washing machine, and off he went.

I think I handled the situation quite well, don't you?

But I don't really want to have to expose my self to the whole street, if my pooch keeps annoying the locals.

What should I do that's a more long term solution?

SH, Leeds

Krystal says...

DON'T be surprised if that bloke comes to complain again — when his wife's out!

Dear Krystal,

HOW come women always get to play all the ace cards eh?

It's alright for them to go out and get laid every night of the week, if they wish.

But it's just not that easy for us blokes.

When girls think they are dead sexy, all dressed up and showing their arses, don't they realise that it's only their minge that us fellas are after?

The way they preen and pout and dismiss men, with their cold looks, just because they are clearly looking for a better-looking man with lots of money and a huge penis!

I tell you this – if they didn't have a c*** between their pins they'd never get f***ing spoken to in the first place, would they?

For a bloke to get laid these days he has to give a bint a load of tosh and bullshit just to get into her knickers.

Us blokes need more than just good looks, money and a big Johnson to get a shag.

In fact, f*** this country, I'm off to Magaluf to pull some easy pussy!

GP, Chester

AGONY WITH Krystal Webb

Age 21, 30FF-24-32, from Birmingham

Boob-whacking put me off my stroke!

Dear Krystal,

THERE'S nothing I like more than a huge great pair of melons swinging in my face as my woman is riding me.

I love the look and feel of huge plate-sized nips bouncing off my face as her motion rocks them back and forth and I try to catch them with an inward suck of air as they close in on my mouth.

The bigger the mammary the better I like it and I'm hooked up with a mammoth bird with the biggest tits I've ever seen – in order to fulfil my desire.

She's up for most things and likes it when I spunk my load over her mush after a decent session.

But last week she hurt me when she swung her left tit into my face and almost broke my f***ing nose with it.

Now I'm scared about our love-making.

How do I get round this?

MD, Kent

Krystal says...

OH, you big baby, it's just like a bike...when you fall off you get right back on and start riding again. If you don't, you'll be missing out on those lovely big knockers won't you?!

Dear Krystal,

I'VE been in Germany over the last few days and before I went I was a little wary of the women – as I'd heard they could be quite miserable.

How wrong can one Englishman be?!

Within an hour of touchdown I was being frisked by a pretty frauline with blonde pigtails and she made extra sure I had nothing to declare in my tight trousers.

Her fingers slipped inside my undies and pulled my foreskin up and down in her quest to find some hidden gem.

And within a minute she'd uncovered a moist mess, I can tell you!

She smiled and told me to go on my way, sliding her mobile number into my pocket as I went.

Then I spent the whole week at her apartment, shagging the arse off it.

I have to say, though, I saw absolutely f***-all of Germany and I'll have to go back to make sure I get a better look around soon.

Are all Kraut birds like this?

PF, Lancs

Krystal says...

I THINK you got a good one there. Lucky bugger!

Dear Krystal,

I AM a housewife in my late 30s who has been happily married for 12 years.

But recently I started to fantasise about a gardener who works next door, once a fortnight.

He's a good looking lad of about 24 and he always mows next door's lawn with his shirt off and tied around his waist.

Last week, I came back from the supermarket and I noticed the gardener had left his mower unattended on next door's front lawn.

So I wandered over and had a peek through her window and there he was, going 10 to the dozen while giving her one from behind – and she was loving it!

My fanny moistened immediatley and I was so turned on I had an urge to f*** him too.

So I went round the back of her house and let myself in through the kitchen door and found them in the lounge.

Soon I was slurping on his tool as he took it in turns to ram it into my gob, then into her gaping fanny.

Then he bent me over and dicked me from the rear as my neighbour licked my pussy.

It was great and we've got another session booked for next week, when the gardener is due back.

Should I tell my best friend, who lives at the bottom of the street?

WS, Yorks

Krystal says...

I'D keep it a secret if I were you. And make sure your landscaping lover has enough fertiliser for just you and your randy next door neighbour!

Dear Krystal,

THIS is probably a different sort of letter than the ones you normally get in your postbag.

But I felt I had to write anyway, and ask your advice.

I was just wondering about the legalities of claiming benefits while earning money being a rent boy.

When I'm out and about, I get approached all the time off other guys – even my taxi driver last weekend offered me £50 to give him a quick nosh.

I currently claim the following:

Income Support
Disability Living Allowance
Mobility
Sickness
Housing Benefit
Council Tax Benefit
Tax credits

This totals around £1,450 a month.

I'm worried if I started to make regular money from selling my arse, do you think my entitlment be affected in any sort of way?

Keith via email

Krystal says...

SAY IT LOUD . . . I'M NAZI AND PROUD!

By BRAD CHADWICK news@sundaysport.co.uk

A BLACK Nazi said it was his constitutional right to wear a swastika armband and declare his devotion to Adolf Hitler.

New York taxi driver Gabriel Diaz received a 30-day suspension after wearing a swastika armband and brandishing a Nazi flag in his cab.

But Diaz insists that he doesn't hate Jews, that he's allowed to practise being a National Socialist if he pleases, and that the American public is misinformed when it comes to Hitler.

"I am a National Socialist – what you guys call a Nazi. I am a believer of it," Diaz said.

"I didn't mean to offend anybody, I'm just expressing my first amendments, my freedom of expression."

On Hitler, Diaz, who lives in the Bronx, added: "I believe we've been taught lies about Hitler our whole life. I don't want to talk about what 'allegedly' happened over there.

"We've been told lies about Hitler and National Socialism – we've been told lies about everything."

KYLA LOVES TO GET HER BRITS OUT!

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

CZECH lads must be BLIND – stunning Kyla Cole says they never asked her out when she lived there!

The 36D glamour girl says that it's only since moving to Lambeth, south London, that guys have started to pay her any attention.

The 27-year-old said: "I love living in England and through the *Sunday Sport* I'm beginning to get recognised in the street.

"I never get a second look back in Prague – because ALL Czech women are very pretty.

"But here in the UK I get a brilliant reaction from men.

"So if you see me in the street be sure to give me a wave and say 'hello'!"

Benn blew me away!

GROVES ADMITS CHAT WITH DARK DESTROYER NIGEL LEFT HIM IN AWE

LET'S GET IT ON! Froch and Groves *(right)* square up before next week's Wembley showdown

GEORGE GROVES was knocked out cold last week without getting hit.

The London fight ace received the shock of his life when Nigel Benn called him offering advice before Saturday's rematch against Carl Froch.

The pep talk from "The Dark Destroyer" has boosted super-confident Groves even more ahead of his attempt to avenge November's controversial ninth-round loss.

Groves said: "The conversation with Nigel Benn blew me away a bit.

"I haven't spoken to him before and I had a missed call from a funny number – he lives in Australia – and a message saying, 'George, it's Nigel. Call me back'.

"I was like, 'Okay', and he said, 'Go out there and do it. He's yours for the taking, just go out there and do your stuff'.

Wrecking

"I got off the phone and sent my dad a text straight away. 'Dad, I've just been on the phone to Nigel Benn'.

"He gave me some really positive words and said I was going to have a really successful career.

"I won't say what he said about Carl, he wasn't very complimentary. Nigel expects me to win.

"Some of the guys I've spoken to over the years, some real stars, he's the one I really wanted to speak to.

"It's fantastic because I've only ever seen him on TV.

"I wanted to say, 'Mate, you sound like Nigel Benn'. He was really nice."

A 80,000 sell-out at Wembley Stadium is expected to witness the biggest British fight since Benn *(above)* and Chris Eubank drew at Old Trafford back in October 1993.

Groves is still in awe of 1990s wrecking machine Benn, adding: "You could put him in a padded room and he'd smash it up. Dark Destroyer is a good way to describe him."

Groves, 26, is looking forward to the huge showdown.

He added: "I've boxed at the MEN Arena and it's felt like 80,000.

"So who knows what that will feel like on fight night?

"What I do know is that Carl is there to be beaten and he is not good enough to beat me."

FLOYD v PAC IS DEAD

HOPES of Floyd Mayweather and Manny Pacquiao finally meeting now seem dead in the water.

Pacman has extended his deal with promoter Bob Arum until the end of 2016.

Mayweather *(right)* says he won't fight Pacquiao while Arum is the Filipino great's promoter, meaning boxing fans will miss out on the sport's biggest clash.

"Manny is the kind of guy who is extraordinarily loyal and he's had a great career with us," said Arum.

"We had to work out the different terms and that sort of stuff, but we got it done."

EXPERIENCED: Hartley's return is a huge boost to Northampton and England

HART START BIG BOOST FOR SAINTS

RUGBY UNION

NORTHAMPTON'S bid for a first Premiership title next weekend could be reinforced by the return of club captain and England hooker Dylan Hartley.

Hartley, who was sent off in last season's final defeat against Leicester and subsequently missed out on the British and Irish Lions' tour to Australia because of suspension, has not played since late March.

He suffered a shoulder injury during Saints' Premiership loss at home to the Tigers and has been fighting a fitness battle ever since.

Hartley's England colleague Tom Wood skippered Northampton to Amlin Challenge Cup final glory through a 30-16 victory over Bath on Friday night, a result that ended Saints' run of four successive defeats in major finals.

But rugby director Jim Mallinder confirmed 28-year-old Hartley – who has won 55 caps – is now taking contact in training, which will also come as a boost for England head coach Stuart Lancaster.

Lancaster is without Leicester hooker Tom Youngs for next month's three-Test tour to New Zealand, while London Irish No.2 David Paice is absent through injury and Bath's Rob Webber has also been sidelined.

Selection

Although Hartley would miss the first Test in Auckland on June 7 because of next weekend's Premiership showdown with Saracens, he might now be in contention for the demanding trip to All Blacks territory.

"We have got a chance that he comes back into the equation, which might give us a completely fully-fit squad to choose from, so selection for next week is going to be massive," Mallinder said.

"He has improved again. He trained with the non-matchday 23 this week, so he's been out with them doing everything that they've done."

Gurney in a Harry to climb high

CRICKET

HARRY GURNEY is intent on continuing the "whirlwind" start to his England career in today's second ODI against Sri Lanka at Chester-le-Street, Durham.

The seamer's debut came against Scotland in Aberdeen earlier this month and impressed in Thursday's victory at The Oval.

Gurney *(above)* said: "It's been a bit of a whirlwind really – up to Aberdeen, down to London and back up here.

"I was on the periphery and it was frustrating not to play.

"To finally get my opportunity and go out there with the Three Lions on my chest is an amazing feeling – and one I want to continue."

DOG LEADS

BY MICK LIVESEY

Frosty's hot!

TODAY sees the start of the Betfred Gymcrack at Kinsley. Worth £6,000 to the winner, it has attracted some of the best pups in the country and is live on BAGS/SIS down the bookies.

Kinsley is a tricky track to run and I can't believe some have not even had a look around the Yorkshire venue — that could be a recipe for disaster.

One greyhound that's had brilliant preparation is Craig Dawson's Valentia Frosty (15.53). He's improved for each of his three trials at the track, this will be his debut but he is bred beautifully to produce all of the 2010 Irish Oaks winner Dalcash Divinsky.

There are some big names here but Frosty can make it a winning debut.

Bolt Of Blue (15.37) and Swift Hoffman (15.22) should also take the world of beating and connections will be dreaming of going all the way.

SITTINGBOURNE OPEN-RACES TONIGHT

Black Francis (19.54) was very impressive last week live on Sky-Sports leading a top-class field before getting caught over 894m tonight's race is over 708m and that should suit.

A cracking sprint final is also on the card, I was taken with the performance of Sound Flight (20.28) in the heats, if Richard Joyce's charge can repeat that he should be on the podium and collecting the £500 first-prize.

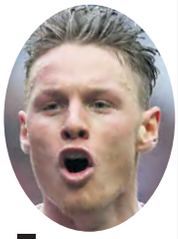
IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

The Spain is over with emerging talent



ENGLAND'S kids have won their second Under-17 European Championship title in four years.

The class of 2010 that defeated Spain has produced Ross Barkley *(right)* for the senior World Cup squad, while none of the Spain team has made senior appearances.

For once there seems to be a disadvantage in the all-conquering Spanish Invincibles in that it's becoming increasingly hard to top the talent they already have.

Hopefuls

Let's not get carried away, though. Connor Wickham *(above)*, Will Keane and Josh McEachran have yet to make the same impact as Barkley.

But with another batch of hopefuls already on the production line, maybe we are starting to see some encouraging signs of genuine all-round talent rather than pinning our hopes on one or two gems and burying them under the pressure.

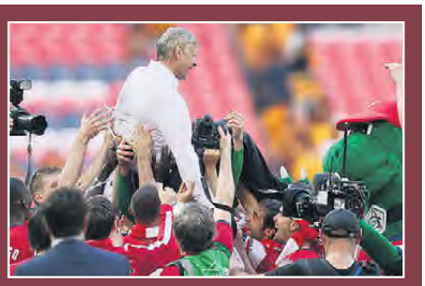
YOU know you're getting old when players you remember as youngsters become managers – or when their sons start playing.

This week Harry Redknapp's grandson signed for Bournemouth.

He's also called Harry.

He's only eight, but apparently he is already scaring defences.

The poor sod must look like grandad then!



LAST week's FA Cup was surprisingly entertaining, wasn't it?

This new tradition of giving the victorious manager the bumps is quite funny, too.

It probably explains why Hull tossed away that 2-0 lead when they realised they'd have to lift Steve Bruce afterwards.

Dumm death threats could be much worse

NEWCASTLE defender Paul Dummett has had death threats from Uruguay fans blaming him for Luis Suarez's injury.

I wouldn't be bothered if I was him. If Suarez was Colombian, however, I'd be looking over my shoulder and sleeping with one eye open.

HEREFORD, a proud old club who have graced every level of the Football League, are being threatened with extinction for the sake of a £225,000 debt.

It's a figure that wouldn't pay some of our so-called top players' wages for a fortnight.

The best way to secure the future of the game and its players is not brushing them aside with a B Team division.

The best way is to forge links between the Premier and lower league teams to develop youngsters and ensure minnows are rewarded for that development so they can continue to exist.

I WANT YEV: Rodgers *(inset)* won't give up in his pursuit of Konoplyanka

GARY'S WEMBLEY DRAMA

League Two Play-off Final

Burton v Fleetwood

Monday, 3pm – Sky Sports 1

BURTON boss Gary Rowett played a starring role the last time he went to Wembley.

The 40-year-old *(left)* turned life-saver to rescue a family member of a team-mate on the way home from Everton's 1995 FA Cup win over Manchester United.

He has not been back to Wembley since – despite a playing career with Derby, Birmingham and Leicester – but 19 years on he will try to mastermind victory for Burton in the League Two play-off final.

Rowett recalled: "I travelled with the staff of Everton in 1995, as I was not in the squad.

"I remember giving one of the lads some emergency treatment. He collapsed and had an epileptic fit on the coach home, such was the excitement of the weekend.

"It was not a player but a member of one of the players' families.

"I've seen lots of bizarre things. I would say I saved his life, but I'm sure that would be a headline and perhaps a little untrue!"

Rodgers still keen to pull off Kon deal

KOP BOSS IN NEW £12M BID FOR UKRAINE WINGER

LIVERPOOL will move to tie up a £12million deal for Yevhen Konoplyanka this week – and could even make a shock bid for Joleon Lescott.

By GRAHAM CHASE

The Reds were frustrated when they tried to snap up Ukraine winger Konoplyanka, 24, from Dnipro in January.

The Ukraine outfit refused to do a £20m deal minutes before the deadline – leaving the Kop side in the lurch.

But Liverpool boss Brendan Rodgers has kept up his interest in Konoplyanka and wants to make him his first summer signing.

Tottenham are also admirers, while Man United and Paris St Germain are interested.

Shock

But Liverpool are certain the wide-man wants to move to Anfield and are keen to push the transfer through as quickly as possible.

Rodgers is also considering a shock move for former Everton man Lescott.

The centre-back is available on a free transfer after his Man City contract expires at the end of this month.

The 31-year-old has been linked with Aston Villa, West Ham and Bursaspor but Rodgers wants more steel and options in his defence.

Daniel Agger *(above)* is set to move on after being snubbed as last season's title push reached a head.

Rodgers also has doubts over Martin Skrtel, while Mamadou Sakho has failed to convince despite an £18m fee from PSG last summer and Kolo Toure could also move on.

Lescott could command big wages, but Rodgers believes the ex-England man provides good experience and could prove a bargain.

The Reds are also closing on a deal for Swansea goalkeeper Michel Vorm as back-up to first-choice Simon Mignolet.

And Rodgers is exploring the chances of snapping up Spain winger Pedro from Barcelona as he strives to make a mark in the transfer market this summer.

The Kop boss said: "Our work has started already.

"We had a three-hour recruitment meeting, so there is certainly no complacency.

"We're hungry to succeed here. As much as we have had a good season, we want to go one better next season if we can.

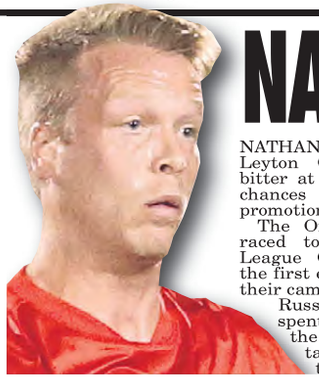
"There is certainly no complacency. You can't take your eye off the ball.

"This is an ever-evolving league and it gets better every season.

"We're in a league where there are not just British players – this is a league that is full of world-class players."

GO FOR JO: Liverpool are hoping Lescott will give a move to Anfield the thumbs-up

NATHAN GRASPING FOR JOY



NATHAN CLARKE says Leyton Orient aren't bitter at blowing their chances of automatic promotion.

The Orient Express raced to the top of League One, winning the first eight games of their campaign.

Russell Slade's side spent 22 weeks at the top of the table, but today they have one last chance of promotion when they take on Rotherham at Wembley.

League One Play-off Final

L Orient v Ro'ham

Sunday, 3pm – Sky Sports 1

And skipper Clarke *(left)* said: "You just want to go there and do yourself proud and play as well as you can.

"You have got to grasp the opportunity. It's such a great way to get promoted through the play-offs. I've done it with Huddersfield and the joy that it brings is fantastic.

"We would have loved to have got promoted in the top two, but it wasn't to be.

"It was good that we knew our fate with three or four games to go.

"We could concentrate on working on certain things and preparing for the play-offs. We are still hungry for it and desperate to do well.

"To walk out a team at Wembley and hopefully lead the lads to victory is something I'm very proud of.

"You try to treat it as any other game, but it's so hard.

"It's the biggest game in your career."

Atletico star is the right Juan for Ars

ARSENAL are weighing up a swoop for Atletico Madrid defender Juanfran.

Boss Arsene Wenger needs a new right-back to replace Manchester City-bound Bacary Sagna.

Serge Aurier has been in his sights for a while – but at £7million the Toulouse 21-year-old is costly for a player unproven in the top leagues.

That's not the case with Spain star Juanfran *(above)*, who is one of a number of Atletico men who will cash in on their Champions League final exposure to get a big pay day elsewhere.

But the 29-year-old would cost £10m, as he is under contract to the Spanish champs until 2017.

Juventus and Italy midfielder Sebastian Giovinco, 27, is also being considered by Wenger.

MART PLAYS IT SMART

By TOBY SHAW

MARTIN O'NEILL will use the Republic of Ireland's end-of-season friendlies as dress rehearsals for next summer's Euro 2016 showdown with Scotland.

The two sides meet at the Aviva Stadium on June 13 next year in what could be a pivotal clash in the race for qualification from Group D.

O'Neill *(above)* said: "This is an opportunity. It's ideal for me – it's not for the players in the sense that it's at the end of the season.

"This time next year we will be playing a game against Scotland, so from that viewpoint when the players looked at that, they thought, 'Let's get on with it'.

"From the viewpoint of is there going to be a bit of a competitive edge, absolutely, it's got to be better."

Foxes future looking bright for Albrighton

MARC ALBRIGHTON insists his move to Premier League new boys Leicester from Aston Villa is not a backwards step.

Villa are widely regarded as the biggest club in the Midlands, yet the Foxes' Thai owners are ready to spend big to establish Nigel Pearson's team as a top-flight force.

Academy product Albrighton *(above)* was among Villa's best performers in the second half of last term, but the club refused to match the £35,000-a-week four-year deal Leicester offered the winger.

He said: "I'm absolutely thrilled to be joining. Everything about Leicester City is moving forward at the moment and it's going to be a great club to be a part of. I just can't wait to get going."

ANT FOCUS ON IRELAND

By SEAN RAFTER

NORWICH midfielder Anthony Pilkington will put his future to one side as he concentrates on the Republic of Ireland.

The 25-year-old is in Ireland preparing for end-of-season friendlies against Turkey, Italy, Costa Rica and Portugal.

He found himself out of the team with Neil Adams at the helm during the final stages of a disastrous Premier League campaign which ended in relegation.

Pilkington *(below)* said: "I wasn't really in the manager's plans towards the end of the season, so I'll have to wait and see.

"All I'm concentrating on now is doing well for Ireland, putting that to the back of my mind and then dealing with it when I get back after the friendlies."

Gomes takes Wat he can for another year

WATFORD have signed Brazilian goalkeeper Heurelho Gomes on a free transfer from Tottenham.

The 33-year-old has agreed a one-year deal at Vicarage Road, with the Hornets having the option for a further 12 months.

Gomes *(above)* spent part of last season on loan at Bundesliga side Hoffenheim after falling out of favour at White Hart Lane.

He made 135 appearances for Spurs over a six-year period, having arrived at the north London club from PSV Eindhoven in 2008.

Having been given his international bow by Brazil in the 2003 CONCACAF Gold Cup, Gomes was also part of the samba nation's 2010 World Cup squad in South Africa.

GUIDE TO THE 2014 WORLD CUP

FIFA WORLD CUP Brasil

THERE'S just 17 days left until the Greatest Show on Earth kicks off in Brazil – and we can't wait!

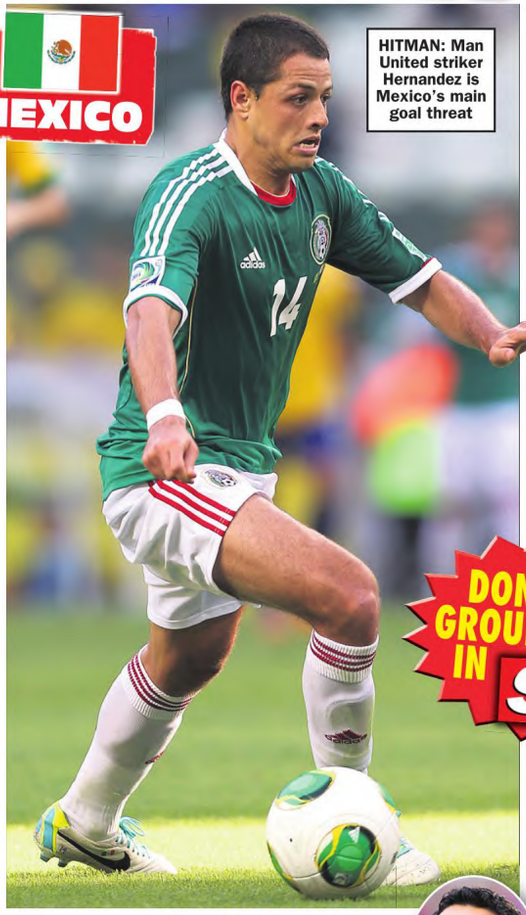
The best players on the planet are getting ready to wow us with their skills during a mouthwatering month of sizzling soccer action.

Here at *Sunday Sport* we want you to get the most out of the tasty tournament.

So here's the first part our our guide to the runners and riders in Brazil, starting with...

Pressure's on for Neymar and co

GROUP A



HITMAN: Man United striker Hernandez is Mexico's main goal threat

SAMBA SPECIALS: Neymar and Scolari *(inset)* are under pressure to deliver Brazil's sixth World Cup trophy

DON'T MISS GROUP B: ONLY IN MIDWEEK Sport

MEXICO

THE Mexicans ditched TWO different managers in a shaky qualification campaign that saw them lose twice to minnows Panama.

And the fireworks may not end with new boss Miguel Herrara who, as a player, was left out of the 1994 squad for chinning a photographer.

Ex-Barcelona man Rafael Marquez *(above)* – last heard of kicking off with Landon Donovan in the MLS – will captain the side at the age of 35.

And Mexico will be looking to Manchester United striker Javier Hernandez to bag the goals after a frustrating campaign at Old Trafford.

ONE TO WATCH: Javier Hernandez
PEDIGREE: Reached the last eight on home soil in 1970 and 1986 and have qualified every time since 1994.
ODDS: 125/1

BRAZIL

THE Samba outfit are massive favourites to grab the title on home soil, but Luiz Felipe Scolari's squad is hardly overwhelmed with stardust.

Manchester City flop Jo *(below)* is one of the strikers tasked with delivering glory.

And the attacking responsibility will rest on the shoulders of Neymar – who has struggled to justify the £50million Barcelona forked out for him last summer – while youngster Bernard could shine.

The hosts will face huge pressure to deliver the title and anything less than a sixth victory will be seen as failure.

Winning last year's Confederations Cup in their own backyard, including a 3-0 hammering of Spain in the final, will boost confidence that they can pull it off.

BOSS Volker Finke will know that expectations are at an all-time low after his side's wobbly qualifying campaign.

But Chelsea star Samuel Eto'o *(right)*, who will lead his ageing squad, insists Cameroon aren't sweating over the prospect of their tough-looking group.

He said: "It is true that Brazil will be the most popular before its people and home fans, but I'm not scared of this team. We will not be scared of them.

THINGS looked so desperate during qualification that ex-Derby and West Ham clogger Igor Stimac was binned for Niko Kovac.

Inter Milan kid Mateo Kovacic aside, this is a squad full of players that are creeping over the hill and how they handle their opener against Brazil could be key to their chances of getting out of the group.

Gus can't stop flops returning

By BEN LLOYD

GUS POYET has been left with a £500,000 summer headache by the return of his four loan flops.

Sunderland boss Poyet is keen to offload out-of-favour quartet Danny Graham, Alfred N'Diaye, Modibo Diakite and Cabral – who were all farmed out soon after the South American took charge last season.

But the foursome have all been told they won't be offered permanent deals by the clubs who borrowed them.

Middlesbrough would like striker Graham but can't afford his Premier League wages, and Senegal midfielder N'Diaye is back after failing to earn a permanent move to Spanish side Real Betis.

French defender Diakite (Fiorentina) and Swiss midfielder Cabral (Genoa) – both signed by Paolo Di Canio 12 months ago – will return to Wearside for pre-season training in July.

Cabral's agent, Walter Fernandez, admitted: "I don't think Genoa will take up the option on his loan.

"He's got two years left on his Sunderland contract and he'll be back in July."

Overhaul

It means frustration for boss Poyet, who had hoped to rid himself of the quartet to free up valuable funds for squad strengthening.

The return of the four means an extra £60,000 a week on Sunderland's wage bill – money Poyet had earmarked for helping to fund a major player overhaul this summer.

Seb Larsson is set to perform a huge contract u-turn by staying at the Stadium of Light.

The Swedish midfielder looked set to leave after talks stalled on a new deal.

Hull, Napoli and a posse of clubs in Turkey have all been monitoring the situation of the 28-year-old.

But Sunderland want to reward Larsson for his part in fighting off relegation by awarding him a new contract.

His agent, Per Jonsson, said: "They've suggested about a new contact and we'll see what they come back with."

LETHAL: Ings netted 26 goals last season and Dyche *(inset)* wants to keep him at Turf Moor

BURNLEY boss Sean Dyche insists the Clarets can ward off interest in hot-shot Danny Ings ahead of their Premier League push.

By GRAHAM CHASE

Ings banged in 26 goals last term as Burnley pulled off a shock promotion back to the top flight.

The Clarets have a long history of being forced to sell their best players. Two summers ago Jay Rodriguez was picked up by Southampton and Charlie Austin was nabbed by QPR last year.

But Dyche is confident of keeping his side together.

He said: "I think the players are happy, I think they've enjoyed their season, I think they enjoy what we try to offer them on a daily basis and when they play games.

Secure

"I don't think there's a thirst for players to leave.

"If they do then it will be for the right reasons for the club.

"The main thing about Charlie was the board came out and made it clear that had to be done. It was just getting the right market price at that time.

"It's different now. The finances are a whole different ball game than last season.

"The club are a lot more secure financially, so we have more power with the contracts and the players we've got."

Burnley are set to seal a £2million deal for Stoke winger Michael Kightly as their first business of the summer.

Kightly spent last season on loan at Turf Moor and played a key role in promotion.

Dyche had a clause put in the deal to allow a permanent switch if the move went well, and Burnley are set to take it up.

They are also keen on an extension for Chris Baird, who joined the Clarets on a short-term deal in the final weeks of the campaign.

Dyche added: "We're not in a position where we have to do anything now. We can stand a bit firmer on various different contracts and players, and equally on the ones coming in."

INJURY WOES: Rodwell

City lend Jack back to Toffees

MANCHESTER CITY will allow Jack Rodwell to return to Everton – but only on loan.

Everton wanted to snap up Rodwell, 23, in January and City would have let him go if they had snapped up Fernando from Porto.

Brazilian Fernando, 26, will finally make the move to City for £20million this summer – although fellow Porto man Eliaquim Mangala will snub a switch.

Goodison boss Roberto Martinez is sure he can drag the best out of Rodwell, who has struggled since leaving Everton for £12m two years ago.

But, having lent Gareth Barry to Everton last season, City aren't prepared to let Rodwell go on the cheap.

Blues boss Manuel Pellegrini still thinks Rodwell has a chance at the Etihad Stadium but wants to see him perform on a regular basis elsewhere.

SACKED: Culverhouse

Culverhouse axed after Villa probe

ASTON VILLA have sacked assistant manager Ian Culverhouse after an investigation that followed his suspension in April.

Former Norwich player Culverhouse, who previously worked alongside Villa boss Paul Lambert at Carrow Road and Colchester, was suspended in April due to disciplinary issues.

At the time, owner Randy Lerner referred to "unexpected issues that could have easily set the club back".

Villa have now sacked the 49-year-old, with Lambert now seeking a new No.2.

They have also sacked head of football operations Gary Karsa, who also faced allegations relating to off-field issues.

Youth-team coach Gordon Cowans and goalkeeper Shay Given were promoted to assist Lambert.

JOB DONE: Redknapp

BOBBY ZAMORA was a robbing hero as his dramatic last-gasp winner sent QPR back to the top flight after one year of misery.

LATE ZAM SLAM STRIKES IT

By IAN BAKER at WEMBLEY

The veteran striker has been more miss than hit of late, but he struck when it mattered as Rangers mugged Derby after being totally outplayed.

The Hoops had to play the last half-hour with 10 men after Gary O'Neil was red carded – but stunning displays from Rob Green and Richard Dunne kept them in the play-off final.

Steve McClaren returned to Wembley for the first time since the "wally with the brolly" moment with England – but emerged without an umbrella when leading his Derby side out in pouring rain.

But this game did not rain goals as both sides struggled to produce their best football in a lacklustre first half.

QPR top scorer Charlie Austin saw a 25-yard snapshot sail over the bar early in the contest, while Craig Forsyth saw a header from Jamie Ward's cross go just over at the other end.

The major flashpoint of the half came when Derby youngster Will Hughes claimed a penalty.

Deflected

Hughes was surprisingly selected ahead of midfielder Craig Bryson and claimed he was fouled by Dunne, though TV replays hinted at minimal contact.

Rangers weren't helped by injury to Niko Kranjcar, replaced by Armand Traore on 33 minutes.

Hughes was just off target with an effort, while Johnny Russell saw a shot deflected straight at Green.

Jamie Ward's 35-yard free-kick eluded everyone, with Green forced to parry the ball around the post.

Harry Redknapp's side wasted a golden chance early in the second half when Traore's cross was perfect for Austin.

But the striker somehow sliced his shot wide from

level with the penalty spot before putting his head in his hands.

Then referee Lee Mason stepped into the spotlight on the hour when Russell was brought down by Gary O'Neil on the edge of the Hoops' penalty area.

After a long chat with linesman Darren England, Mason pulled out the red card.

No complaints from the midfielder told its own story as he headed straight down the tunnel.

But Derby simply could not break down Redknapp's defensive warriors, with former England keeper Green in the kind of form that suggests he could still do a job for his country.

Rescue

Bryson forced him into an immediate save, and the 34-year-old came to his side's rescue again with an even better stop to deny Chris Martin.

Simon Dawkins was thwarted at close range by Green from Bryson's pass before Ward's effort deflected wide via Martin.

Extra time appeared to be looming but QPR, who had offered nothing in attack since the sending-off, incredibly got the winner.

Jake Buxton lost the ball in the left-back slot but Junior Hoilett's cross was straight at Richard Keogh.

But the Derby centre-back failed to clear, instead passing the ball straight to Zamora.

And the Rangers sub made no mistake, curling a shot into the corner.

MAC BACKS HULL TO BE EURO FORCE

By JAMES McMATH

PAUL McSHANE says Hull can repeat their shock run in the FA Cup and take Europe by storm.

Reaching the Wembley final has put the Tigers in the Europa League qualifying rounds, starting in late July.

And Irish defender McShane says there is no reason why they can't repeat their form on the continent.

He said: "It is a great opportunity for us all to taste European football.

"We have to make sure we qualify first, but once we've done that you never know what can happen.

"Who would have thought we'd play in the FA Cup final?

"A lot of people have written us off.

Challenge

"From being nearly in administration at this club to promotion to the Premier League, staying in the Premier League and reaching an FA Cup final, that's a major achievement, so who knows what will happen next season?

"It's great that we have Europe to look forward to.

"It will be a new experience for everyone and a great challenge which we are all relishing."

McShane spent three months out injured last season but is raring to go.

The 28-year-old added: "I'm back to full fitness now and will start getting ready for next season."

Chelsea flog Luiz to PSG for £50m

PARIS SNATCH: Luiz is off to the French capital

By TREVOR WILLIAMS

PARIS ST GERMAIN have agreed a STAGGERING £50m deal with Chelsea for defender David Luiz.

The mega-rich French club will shell out a world record fee for a defender, with the formalities set to be completed in the next few days so Luiz, 27, can concentrate on playing for Brazil in the World Cup finals.

A statement on the Ligue 1 winners' website read: "Paris St Germain FC, Chelsea and David Luiz would like to confirm that they have reached an agreement on the conditions for a future transfer of the Brazilian international defender that would occur when the next transfer market opens on June 10, 2014."

Barcelona and Bayern Munich were also pursuing Luiz, who arrived at Chelsea from Benfica in January 2011 in a five-and-a-half year deal worth £21m.

The switch represents a healthy profit for Chelsea, which manager Jose Mourinho will hope to reinvest in his squad, with Atletico Madrid striker Diego Costa *(above)* his No.1 target.

Last night Luiz tweeted: "Tks CFC for this time of great partnership. I'm thankful for all! It's a new challenge and together we'll go even further. Allez Paris!"

Super Hoops are going up!

By BEN LLOYD

QPR boss Harry Redknapp admitted his side were "hanging on for their lives" before Bobby Zamora scored the dramatic late winner at Wembley to lift them back into the Premier League at the first time of asking.

The R's were second best for most of the "£120million Showdown" – the most lucrative match in world football – especially after Gary O'Neil was sent off in the 59th minute for felling Johnny Russell when he was last man.

But Redknapp's troops hung on and nicked a winner in the final minute through substitute Zamora.

The Hoops boss said afterwards: "It was a fantastic finish. We were maybe trying to take the game to penalties with a draw and were hanging on for our lives.

"It was a fantastic goal to win the game and I couldn't be more pleased.

"I would be a liar if I said I thought I would see us scoring. They had 11 men, they were probing us and we were hanging on.

"That was a one-off where you stand on the touchline, hanging on for grim death and get a goal like that.

"I want to do it for the owners and the players. They are fantastic people."
